   (Other titles: Confederate States of America)

   Credits: director/writer, Kevin Wilmott.
   Cast: Rupert Pate, Evamarii Johnson, Larry Peterson.
   Summary: Documentary style recounting of the last 140 years of American history
   as if the South had won the Civil War. It assumes events would have
   unfolded in much the same way as they did in reality including the two World
   Wars, the JFK assassination, Vietnam and the Watts riots.
