Summary: Comedy/melodrama set in the contemporary Los Angeles. An interlocking circle of desperate lovers drift thru the neon bathed nights of L.A., searching for fulfillment and never finding it. They seek advice from a radio psychologist (Bujold), who counsels her listeners on love with no experience of it herself. Until, that is, she becomes entangled with two of those listeners: a charismatic but enigmatic drifter (and Vietnam veteran) (Carradine) and a sexually confused nightclub owner (Warren)
