Summary: Adventure/spy television series set in various places in the 1980s. Ex-Green Beret and Vietnam veteran Mac Harper (Hexum) poses as a male model for fashion photographer Danielle Reynolds (O'Neill) while both also serve as secret agents for the US government on cases outside official US jurisdiction. Hexum accidentally killed himself with a blank round while filming the series seventh episode and was replaced by a character named Jack Stryker (Hamilton) for the remainder of the series.
