Summary: Action/adventure set in contemporary Laos. Special Forces veteran Richard Straker (Norton) returns home to find his family taken hostage by burglars. He kills the burglars, but his family is killed in the process. After a binge of drinking he is rescued by an Army colonel and sent on a mission to Southeast Asia by the CIA. He is to investigate reports that Americans have been held there as POWs since the Vietnam War. Straker finds and rescues the POWs (who now have leprosy) though all are killed during the escape.
