Summary: Horror film set in contemporary Louisiana. Vietnam veteran Ted Watkins (Tanet) lives alone on an island in the swamp. Ted’s home is invaded by three thugs who steal his cash and leave him for dead. He awakens to find that instead of being deceased he is in the world of the “living dead.” He has become the pet project of sexy witch woman Damballa (Ridley) who dances around in the nude when she is not crawling around as a snake. Damballa has guarded the island for centuries. She takes revenge on Ted’s killers with the help of a voodoo priestess, buried treasure, a smoking mummy case and her crypt of dark secrets.
