E6290 ENDANGERED SPECIES  (USA, 1982)

Credits: director, Alan Rudolph ; writer, Alan Rudolph, John Binder ; story, Judson Klinger, Richard Woods.

Cast: Robert Urich, JoBeth Williams, Paul Dooley, Hoyt Axton.

Summary: Mystery/thriller set in contemporary Wyoming. Ruben Castle (Urich) is a retired New York City detective and recovering alcoholic. He is on the road with his teenage daughter to visit a friend in Wyoming when he comes across a string of cattle mutilations and an attractive lady sheriff (Williams) trying to solve the case. Their investigation turns up a germ warfare experiment being run by the CIA, corrupt businessmen and politicians, and crazed Vietnam veteran Ben Morgan (Axton).
