Truc becomes a success in business, but she is raped by a French officer and gives birth to a son. When the Americans replace the French, the son is taken to be raised in France. Under the Americans Truc leads a loose life. After inviting one young officer into her bed, she discovers she has slept with her own son. In depression and shame, Truc commits suicide. Mai, on the other hand, becomes a guerrilla. Although that life is one of privation and she is imprisoned, Mai continues to believe in the choices she has made.
