Summary: Detective/mystery film set in contemporary New York City. NYPD Detective Lt. Frank Janek (Crenna) and his special investigative unit take on a couple of cases. Intertwining plots involve a couple of cops gone bad, a woman murdered in Manhattan in an m.o. too much like one that took place in Vietnam in 1975, and Janek’s involvement with an interior decorator. In the second story, a new cop, Molly Tran (Luong), becomes bait for the serial killer.
