Summary: Porno film set in South Dakota and Vietnam in the early 1970s. Casey and Iris, a pair of South Dakota teens, dream about the future (she wants to be an actress – he wants to be a doctor) and despite their strict religion decide to make love outdoors where they are promptly discovered. Casey (Smith) joins the Marines with his best friend Shelby (Obe-Wahn) while Iris goes to Hollywood. In Vietnam, Casey and Shelby have adventures with prostitutes. In Hollywood, Iris becomes the mistress of a lesbian dominatrix. Casey returns to the U.S. and becomes a heroin addicted cab driver but eventually finds Iris and rescues her from a brothel (a loose imitation of Taxi driver).
