**L6788 THE LOST PLATOON (USA, 1989)**

**Credits:** director, David A. Prior; writers, David A. Prior, Ted Prior.

**Cast:** William Knight, David Parry, Stephen Quadros, Lew Pipes.

**Summary:** War/horror film set in various places over more than a century. David Hollander (Knight), a young American soldier in WWII, is saved from death by a mysterious stranger. In 1968, while covering the Vietnam War as a war correspondent, Hollander is shocked to see the same stranger and his platoon, completely unchanged and unaged. In 1991, discovering a Civil War photo of the same group, Hollander travels to Nicaragua to find the secret of these elusive survivors and finds that they are vampires thriving on war and human blood.
