**Summary:** Science fiction/horror film set in the contemporary U.S. An alien spaceship crashes in a swamp in a U.S. national park. Mosquitos which feed on the alien corpses grow to the size of vultures. The mutant insects kill a number of humans in the park and pursue a small group of survivors to an isolated farm house. The survivors include a young couple, a park ranger, a government researcher, and a drug dealer. They discover the mosquitos have a nest in the basement of the house. The park ranger and the government researcher are Vietnam veterans.
