**Summary:** Comedy/thriller set in contemporary Hollywood, Calif. Arthur Gwenlyn (Williams) is an Oliver Stone-like filmmaker who is bugged by the idea that there has not been an assassination from the left in recent American history. In the months leading up to the 1992 presidential election, he contemplates the effect such an event would have. He conceives an idea for a film about a left-wing plot to murder a right-wing president and enlists the aid of Victor Duggo (Andronica) an ex-Marine Vietnam veteran sniper.
