Summary: Action/adventure film set in contemporary California. Robert E. Lee Jones (Gerard), a battle-hardened, international gun-for-hire, trades the battlefields of Central America for the urban jungle of Los Angeles when he learns that his teenage daughter has been taken hostage. He gathers a motley crew of Vietnam vet comrades to go after the kidnapper. The kidnapper is the corrupt Col. Blair (Napier), who is hoping to wipe out a number of the honest soldiers who gave him such a hard time in Southeast Asia.
