S6955  SPOOK  (CANADA, 2003)

Credits: director/writer, Barry W. Levy.
Summary: Spy/thriller/biopic set in contemporary Canada with flashbacks to the Vietnam War. Based on the true story of a Canadian who served two tours in Vietnam, including time with an airborne LRRP unit, and operated as a sniper and spy (spook) for the CIA. The film follows his personal mission to expose Canada's covert involvement in Vietnam, the war-profiteering by Canadian companies, and honor the over 40,000 Canadians who secretly served there.

No known reviews. Has had limited release in film festivals. Official web site: http://www.spookthemovie.com
