Summary: Biker/action film set in contemporary Sydney, Australia. After a political assassination and a rash of biker (“bikie”) deaths, a Sydney narcotics policeman named Stone (Shorter) goes undercover to investigate the Gravediggers biker gang. He befriends the gang members and discovers a rival gang is responsible for the killings. He tries to protect his friends while preventing them from taking revenge, but in the end is beaten up by them. The Vietnam War is blamed for the bikers’ intellectual anarchy.
