Summary: Detective/mystery series set in the contemporary Pacific Northwest. Adam Beaudreaux (Weathers) is a Special Forces Vietnam veteran who now serves as an urban plainclothes police detective. In the series pilot episode, Beaudreaux is reunited with Grady Jamieson (Genesse) who, as a young boy, saved Beaudreaux’s life in the jungle in Vietnam. Grady, it seems, was the son of Canadian missionaries who were killed in the same Viet Cong attack which wounded Beaudreaux. Twenty years later the pair team up in order to hunt down a mob hit-man. The hit-man also has a Vietnam past, having worked as an assassin for the CIA and the Viet Cong. By an amazing coincidence he also happens to have been leading the VC band which killed Grady’s parents all those years ago!
