T3210 THE TEACHER (USA, 1974)
(Other titles: Seductress)

Credits: director/writer, Hikmet Avedis.
Cast: Angel Tompkins, Jay North, Anthony James, Marlene Schmidt.
Summary: Melodrama set in the contemporary U.S. Much of 18-year-old Sean’s (North) first summer after completing high school is much spent with 28-year-old teacher Diane (Tompkins), whose husband is too often motorcycle-racing instead of with her. Meanwhile the voyeuristic psycho/killer/Vietnam vet next door, Ralph (James) also has ‘the hots’ for Diane; and it doesn’t help that Sean was with Ralph’s younger brother, Lou, when Lou died in an accident.
