Summary: Action/adventure/rescue film set in contemporary Thailand and Laos. For over ten years, Colonel Jason Rhodes (Hackman) has been living a nightmare searching for his son who is listed as “missing in action” in Vietnam. After useless appeals to the government for information, Rhodes takes matters into his own hands. With financial backing of a Texas oil tycoon (Stack) and the help of his son’s five Marine buddies, Rhodes prepares to carry out a daring mission and after weeks of grueling training, the veterans leave for Laos.
