Present Employee and Position Job Title: Nursing Learning Resource Center - Coordinator

Biographical Data:

Over the past 20 years working as a professional registered nurse, I have worked in a supervisory capacity inservicing and providing leadership in the undergraduate and graduate nursing education : Pennsylvania Certified School Nurse in Elementary & Secondary Schools ,Adjunct faculty & Staff Nurse Maternal Child / Newborn Nursery, and most recently held the School District of Philadelphia Career and Technical Education Allied Health Technologies program development and planning of allied health care careers, syllabi and curriculum. Attended SEED leadership training at Elizabeth College, New Jersey diversity training which then was a SEED leader in the East Region/ School District of Philadelphia. Throughout the ten years serving as President, Past President, Public Relations Chairperson, on the Pennsylvania Association of School Nurses and Practitioners Board of Directors, I have gained an incredible insight of working & collaborating with local, state and national healthcare professionals in the delivery health of healthcare in public and non-profit sectors. Most recently completing second year working at LaSalle University in the School of Nursing and Health Sciences as Nursing Learning Resource Center Coordinator organizing additional increase of nursing labs at Bucks and West Campuses, projected needs assessment, and other administrative roles & responsibilities for nursing students and nursing faculty in competency skills nursing acquisition & mastery along with simulation and unfolding case studies i.e. Pediatric Immersion Lab and Public Health courses supporting faculty and nursing students. Looking forward to learning new experiences to increase simulation across nursing education
