

## Stirling Scotland, United Kingdom International Association for Human Caring Caring Research Conference

Earn graduate or undergraduate credits by attending this Travel Study Course  
Students will attend the International Association for Human Caring's 23<sup>rd</sup> Annual Research Conference in Stirling, Scotland, home of the William Wallace Monument

NUR 477/577: Caring for Individuals, Families, and Communities: Nursing's Gifts  
Elective Course

Faculty: Zane Robinson Wolf, PhD, RN, FAAN and Joanne Farley Serembus, EdD, RN, CCRN

This course examines human caring and nurses' contributions to the health and healing of the people served. It emphasizes the history, research, and aesthetics of caring from the perspectives of nursing and other disciplines. Emphasis is placed on critique of caring research, scholarly and aesthetic writing on caring, and resources available to study caring. Intentional caring and self-care are also analyzed.

Keynote speakers at the conference include: Jean Watson, Carol Picard, Christopher Johns
