

"License Agreement Form" for the Use of University Facilities by Other Than University Persons or Organizations

To protect the interests of the University it is necessary that this Agreement be signed by all organizations or individuals who are permitted to use our facilities. This applies whether or not a rental fee is being paid. The Agreement serves as a license to use our facilities and requires appropriate insurance coverage. It also creates a hold harmless understanding between the University and the organization using the facilities.

A supply of these forms is available in the Duplicating Department. It should be completed and signed in sufficient copies so that a form with original signatures can be provided to:

- a. The Business Office
- b. The using organization

It would also be advisable for the authorizing department to retain a copy of the form.

It is the responsibility of the person authorizing the use of the facilities to ensure that an executed form is on file in the Business Office prior to the effective date. Instructions should also be given that the insurance certificate required in the License Agreement should be forwarded to the Business Office before the effective date.
