You are required to provide two letters of recommendation for the Scholarship Committee. You can print the recommendation forms from this website (www.lasalle.edu/scholarships) and submit those forms to your recommenders, or you can simply provide the URL to your recommenders. Since only two letters will be accepted, you are encouraged to request the letters from persons who know you well and who will be able and willing to write, in some detail, about your potential for success. At least one letter must be from someone who has had direct experience with your musical talent (i.e. music teacher, band instructor, boss if you played for employment). We will not read letters from relatives. The letter of recommendation should be sealed in an envelope and then signed along the back flap by the recommender; the two letters of recommendation, in their sealed envelopes, should be returned to you for submission as part of your application packet.

Signature Date

All materials must be submitted to La Salle University by **January 15, 2010**.
