

Doctoral Program in Clinical Psychology (Psy.D.)

Statement of Intention

Please attach a typed, double-spaced statement (not to exceed two pages) that reflects your thinking with regard to pursuing a Psy.D. at this time. Please include your name at the top of each page. Indicate something about your motivation to become a psychologist, your ability to interact effectively with others, and the particular skills and personal characteristics you possess that you feel are important to the practice of psychology.
