

The Master's Program Student Association (MPSA) is a faculty-advised student-run organization within the Clinical Counseling Psychology Program that provides resources to students of all counseling concentrations (PC, MFT, Addictions and Industrial/Organizational) representing fellow students' interests and needs. We strongly encourage all students to participate and gladly accept all input because ultimately, this organization will become what "we the students" make it today.

Previously, all matriculated students were granted automatic membership into MPSA. As you might imagine, we have increasingly found that serving fellow students takes effort and time and unfortunately comes at a small financial cost. Therefore, beginning with the Fall 2009 semester, we will no longer be granting automatic membership into MPSA. To defray programming costs incurred throughout the year, we are now asking for your paid membership into MPSA. The membership fee will cost students only \$10 annually.

Below are just some of the great benefits of becoming MPSA members:

1. Admission into faculty-led preparatory review sessions for written comprehensive exam and licensing exam (LPC).
2. Eligibility to hold MPSA office and gain leadership skills by representing clinical counseling master's students on behalf of the program, university, and professional state organizations.
3. Discounts on MPSA graduate tee shirts.
4. Food discounts applied toward end of semester social gatherings.
5. Insert your ideas here!

We hope you take advantage of the many benefits that joining MPSA has to offer.

Thank you,
Master's Psychology Student Association
