### CCP Courses | cr. | La Salle University Courses Satisfied | cr.  
--- | --- | --- | ---  
ENGL 101: English Composition I | 3 | ENG 110: College Writing I: Persuasion | 3  
FNMT 118 Intermediate Algebra or above | 3/4 | Math Credit | 3/4  
Social Science Elective: SOC 101 Intro to Sociology | 3 | SOC 150 Principles of Sociology | 3  
CIS 103 Applied Computer Technology | 3 | CSC 151 Introduction to Computing Using Packages | 3  
Natural Science w Lab (Depth Requirement): BIOL 109 Anatomy & Physiology I | 4 | BIO 161 Anatomy and Physiology I | 4  
ENGL 102 The Research Paper | 3 | ENG 210 College Writing II Research | 3  
Second Math: MATH 251 Statistics for Science | 3 | HSC Statistics for Health Science Professionals | 3  
Social Science: PSYC 101 Intro to Psychology | 3 | PSY 155 Intro to Psychology | 3  
Natural Science w Lab (Depth Requirement): BIOL 110 Anatomy & Physiology II | 4 | BIO 162 Anatomy and Physiology II | 4  
Humanities Elective: Recommended PHIL 101, 111, 202, 211 or 215 | 3 | Philosophy Core Qualifier | 3  
Concentration Elective: DIET 111 Nutrition | 3 | NUTR 165 Principles of Nutrition | 3  
Natural Science w Lab (Depth Requirement): CHEM 110 Intro Chemistry | 4 | CHM 161 Chemistry of the Life Sciences | 4  
Social Science: PSYC 215 Developmental Psychology | 3 | PSY 210 Developmental Psychology | 3  
Humanities Elective: Recommended any RS course | 3 | Religion Core Qualifier | 3  
General Elective: ENGL 115 Public Speaking | 3 | COM 150 Presentation Skills | 3  
Natural Science w Lab (Breadth Requirement): BIOL 241 Principles of Microbiology | 4 | BIO 163 Clinical Microbiology | 4  
General Elective: Recommended World or American History (HIS 101, 102, 103, 121 or 122) | 3 | History Credit | 3  
General Electives: Recommended two Art History courses (ART 101 plus ART 103, 104, 120) or two Music Appreciation courses (MUS 103 plus MUS 105, 106, 120 or 121) or two foreign language courses | 6 | Credit earned depends on courses taken | 6  
Minimum to graduate | 60 | Minimum transfer credit | 60

**CCP-La Salle Dual Admission Students:** Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University’s Core will essentially be fulfilled by the Core at The Community College of Philadelphia. In order to meet the requirements of La Salle’s Core, students must take **CORE Qualifiers** – one Philosophy course and one Religion course – at La Salle if they have not taken courses at CCP that will fulfill these requirements. See recommendations on the reverse side under “Advising Notes Related to Core Qualifiers” for which specific CCP courses will fulfill these requirements.

**Non-Dual Admission students** who transfer to La Salle University will be required to complete the entire La Salle Core, which includes specific courses in a number of disciplines. Coursework can be taken at La Salle or prior to transfer. Seek advisement for course options and visit the La Salle website, [www.lasalle.edu](http://www.lasalle.edu), to view the current course catalog.

**Advising Notes Related to Core Qualifiers (for Dual Admission students):**

1. Students should take any Philosophy (PHIL) course to satisfy La Salle’s Philosophy Core Qualifier.
2. Students should take any Religion (RS) to satisfy La Salle’s Religion Core Qualifier.

**See Notes on Reverse Side**
Please Note: La Salle University has undergone a curriculum change for their nursing program in an effort to prepare graduates to successfully pass the NCLEX-RN exam and begin their nursing career as safe and competent practitioners. Students entering La Salle for the fall 2017 term and beyond will now be required to complete an additional year in the nursing program in order to complete all of our degree requirements. Students will spend a minimum of 3 years at La Salle in order to complete the degree requirements for the BSN rather than the previous two year requirement.

Additional Admission Requirements for Full-Time Day BSN Applicants:
1) High school transcripts or GED results
2) Two letters of recommendation; one must be academic in nature
3) An essay or personal statement
4) SAT or ACT scores - if taken within the past three years, score received must total a 1000 combined (critical reading and math only with a minimum 450 received on both portions). If SAT or ACT scores are not available or do not qualify, students will be required to take the NLN pre-RN entrance exam. Expected scores should be within the average range for the overall score and at the 50th percentile or higher for the verbal and 50th percentile or higher for the math. Students who will be taking the NLN pre-RN entrance exam will need to do so at the time of application.
5) Students must have a minimum cumulative GPA of 3.0 as well as a science GPA of 3.0 or better (science GPA includes Anatomy and Physiology I and II, Microbiology and Chemistry).
6) Students are permitted to repeat one science one time in order to obtain the required 3.0 science GPA.
7) Students must complete all science prerequisite courses by the end of the spring semester prior to their intended fall start date. Students will be permitted to take summer classes in an attempt to complete their liberal arts/CORE requirements, but no science class can be completed the summer prior to the intended fall start.
8) Students who wish to enter La Salle’s full-time day program must be enrolled full time (12 credits or more each semester) at their current institution for a minimum of one full year (two semesters). Students who are enrolled part time (less than 12 credits) will only be considered for the part-time program.
9) Students are required to submit official transcripts after each semester in which additional coursework was earned. It is the students’ responsibility to make sure that La Salle has their most recent and updated transcripts before starting classes. All final transcripts MUST be received before attending La Salle. Failure to comply will result in a hold on all future registration at La Salle.
10) The School of Nursing and Health Sciences is utilizing America DataBank for background screening and immunization tracking. The student will enroll in America DataBank when accepted into the nursing major. Any students with a positive background check will not be permitted to start the nursing major.

Additional Notes:
1) All Dual Admission application forms must be sent directly to La Salle University, Office of Transfer Admission along with an unofficial transcript or progress record.
2) Final official transcripts must be sent by the student as soon as the final semester is completed at CCP.
3) The maximum number of credits that a student may transfer to La Salle is 70.
4) All Dual Admission candidates will be eligible for the Dual Admission Achievement Scholarship, with the award amount dependent on final grade point average. La Salle also offers a Phi Theta Kappa Scholarship to PTK members with a 3.5 GPA or higher. Proof of membership is required in order to qualify for this scholarship.
5) Students are strongly advised to use this guide with the assistance of a CCP Counselor/Advisor. The information in this transfer guide is subject to change. Therefore, students are advised to check periodically with a CCP Counselor/Advisor for up-to-date information and to contact the Assistant Dean at La Salle, listed below, for advisement on major requirements that can be taken at CCP. Following this guide does not guarantee the transfer of credit or admission to La Salle University.
