**DCCC-La Salle Dual Admission Students:** Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University’s Core will essentially be fulfilled by the Core at Delaware County Community College provided students take CORE Qualifiers – one Philosophy course, one Religion course and one Computer Science course. Students must complete these at La Salle if they have not taken courses at DCCC that will fulfill these requirements. See recommendations on the reverse side under “Advising Notes Related to Core Qualifiers” for which specific DCCC courses will fulfill these requirements. Dual Admission is specific for Nutrition Didactic Program only, not the Nutrition Coordinated Program.

**Non-Dual Admission students** who transfer to La Salle University are required to meet the complete La Salle Core which includes two Religion courses and two Philosophy courses and one Computer Science course. In addition, the La Salle Core includes a Literature, a World or American History and a Fine Arts or Foreign Language course plus a second course in one of these three areas that is at the 200-level or higher. Seek advisement for course options.

Advising Notes Related to Core Qualifiers for Dual Admission students:

1) Students should take Philosophy (PHI) 100 or 110 to satisfy La Salle’s Philosophy Core Qualifier.
2) Students should take HUM 160, 162, 163, 167 or 168 to satisfy La Salle’s Religion Core Qualifier.
3) Students should take DPR 100 to satisfy the Computer Science Core Qualifier.

Additional Notes:

1) The maximum number of credits that a student may transfer to La Salle is 70. Please be advised that students must complete at least half of their major courses at La Salle.
2) Final official transcripts must be sent by the student as soon as the final semester is completed at DCCC.
3) Non-Dual Admission students are required to meet the complete La Salle Core and should seek advisement on course selection and transferability of electives. Note that pre-college level courses do not transfer.
4) All Dual Admission candidates will be eligible for the Dual Admission Achievement Scholarship, with the award amount dependent on final grade point average. La Salle also offers a Phi Theta Kappa Scholarship to PTK members with a 3.5 GPA or higher. Proof of membership is required in order to qualify for this scholarship.
5) Students are strongly advised to use this guide with the assistance of a DCCC Counselor/Advisor. The information in this transfer guide is subject to change. Therefore, students are advised to check periodically with a DCCC Counselor/Advisor for up-to-date information and to contact the Assistant Dean at La Salle, listed below, for advisement on major requirements that can be taken at DCCC. Following this guide does not guarantee the transfer of credit or admission to La Salle University.
