This form will assist us in the review of your financial aid eligibility because of changes in your 2011 financial situation or circumstances not addressed on your 2011-2012 FAFSA. Some examples of these special conditions may be death of a major wage-earner, loss or reduction in 2011 income, separation or divorce, or other special circumstances.

*Please note: Special Conditions will not be processed for grade school and/or high school tuition, as well as changes in asset/investment worth, overtime pay, or bonus/incentive income.*

Completed forms should be submitted to the Student Financial Services Office for review. All special condition adjustments will only be made to the 2011-2012 FAFSA and financial aid package only. Subsequent financial aid packages for future academic years will be awarded independently of this special condition.

If the Department of Education has selected you for verification, this special condition form cannot be processed until you have submitted all of the verification documents and verification is complete.

**If you are a PA resident, please contact PHEAA for their special condition form for a change in PHEAA Grant eligibility at 1-800-692-7392 or at [www.pheaa.org](http://www.pheaa.org)**
