

Printing Fulltext Articles

ATLA Religion Index is directly linked with the ATLAS database of Full Text periodicals.

When you see this phrase: [View Full Text on remote site \(ATLA\)](#)

Jot down the page range that the article covers - example: [p 368-376 THIS IS VERY IMPORTANT!!](#)

Click on the link for the Full Text

After a scanned copy of the article loads, click the **Print** button in the orange strip across the top of the screen.

Change the default print range to the pages which you have jotted down.

Click the "Redisplay" button below to display images for printing.

Use the browser's Print function to print the displayed images.

▶ After printing use the browser's "Back" button to return to previous screens.
