**Summary:** Adventure/suspense cable television film set on an island near Seattle. Seven people from varying backgrounds and locales, and with no apparent common thread, are summoned to the island with the promise of gifts of money by a mysterious Mr. Osiris. They soon learn they are to travel across the island on foot in order to collect their bags of money, while being pursued by Osiris and 3 hired assassins. It seems Osiris holds a grudge against each for some mistreatment of him in the past, including the failure of his ex-commanding officer (Beck) to save him from the fire which disfigured him back in Vietnam.
