

W2730 THE WAR GAME (GREAT BRITAIN, 1966)

Credits: director/writer, Peter Watkins.

Cast: n/a

Summary: Docudrama set in contemporary Great Britain. An imaginary film of what could happen immediately before, during and after a nuclear attack on Britain. The premise is that a Russian nuclear attack would be made on Britain in support of a Chinese campaign in Vietnam. The images have the authentic quality of a newsreel and a forceful impact.
