Farewell Reception for Pat Greenleaf

Thursday, August 12th, 4:00 - 5:00 p.m.
Counseling Center - McShain Hall

Pat Greenleaf has been the Administrative Assistant for the Student Health Center for the past 16 years. In this capacity, Pat has done a fantastic job setting up systems for tracking students’ compliance with health requirements, organizing office operations for maximum efficiency, administering the University's student insurance plan, maintaining the health records for all of La Salle's students, and much more. Pat's creativity and graphic skills were evidenced by the flyers about health issues and upcoming programs which she designed and which in turn, contributed to the success of the Student Health Center's educational efforts. Finally, Pat's warmth and friendliness will be missed when students visit the Student Health Center as Pat would greet them often by name and create an atmosphere of comfort when students were feeling under the weather. Pat received her BA this past May and has been offered a position with the Archdiocese of Philadelphia teaching computers in an elementary school.

From: Tom Keagy, Dean of Arts and Sciences

With a mix of emotions I inform you of the pending departure of Linda Carlin, Assistant Dean of Arts and Sciences. It is difficult to imagine La Salle University without her. She completed her B.S. and M.B.A. in our own School of Business and has served on the University Alumni Board for the past eight years. Over the past 25 years Linda has worked her way up through the La Salle administrative system in positions with increasing responsibilities. Prior to her three-year tenure as Assistant Dean in Arts and Sciences, she served as Assistant Director/Director of the M.B.A. program in the School of Business, and as Administrative Assistant/Academic Advisor in the graduate program in the Department of Education.

Linda will be leaving La Salle on August 13 to accept a position with DeVry University as Degree Completion and Articulation Program Director. In all of her official positions related to La Salle, Linda has consistently served the best interests of our students. Her love for them has been evident every day in her one-on-one personal interactions with them and their families, and she has served as a living example of the university's mission of service. In addition to her daily contact with students, Linda has managed the content of the School web page and most recently has coordinated the complete revision of the School news magazine Keynotes.

I know you join me in wishing Linda well in her new position. She has made many contributions to La Salle University and will be greatly missed. Elsewhere in this edition of Campus News you will find an announcement of a search to fill the vacancy created by her departure. In the interim all student related matters in Arts and Sciences will be coordinated by Julie Valenti.
