Commencement 2005

To: All Faculty and Staff

Please let any seniors know about this opportunity to write their Commencement Speech.

Thank you.
Student Speaker
Commencement 2005

Graduating seniors from the day and evening divisions are encouraged to apply for selection as the student speaker for the Commencement 2005 Ceremony. A committee of students, faculty, and administrators will choose the speaker.

The content and style of presentation of the speech will be the primary criteria used by the selection committee. The delivery time of the speech must be no longer than five (5) to eight (8) minutes. A suggested norm is one typed (double-spaced) page per speaking minute.

One copy of the typed speech and a disk copy must be submitted to the Division of Student Affairs Suite (123 Union Building) by 4:30 p.m. on Thursday, March 3, 2005. Copies of the speeches will be provided to the members of the selection committee and they will determine the final pool of students to be invited for in-person auditions, which will be conducted in the Rodden Theater on Wednesday, March 30, 2005, from 2-6PM. Students will be notified soon after Spring Break if they are among those selected for auditions.

Thanks for your attention and response to this invitation. Writing a commencement speech is a challenging and rewarding task. If you have additional questions or concerns about appropriate content or the selection process, please do not hesitate to contact University Life, ext. 1374.

Are you feeling “Stressed?” Would you like a “Day at the Beach?”

Health Advisory Committee: February 18, 2005

Members Present: Co-chairs: Lane B. Neubauer & Dina Oleksiak; Members: Ann Bullard, Marie Cantwell, Michelle Hanson, Mike Lefthand, Stefania Nolano, Rejeanne Richards, Kevin Riley, Scott Tajarian, Mary Ellen Wydan

Members Absent: Becky Messa, Mary Ellen Miller

I. Smoking Policy Issues

a. The Health Advisory Committee has been working with University Communications to come up with signs for the doors to University Buildings that state that smoking is no longer permitted inside buildings. Aesthetically, these signs will parallel the ‘no trespassing’ signs already in place on the doors. University Communications presented three possible statements for the signs. The Committee unanimously chose the following wording for the signs: “ALL CAMPUS BUILDINGS ARE NON-SMOKING”.

b. Health Advisory Committee members have been receiving complaints from individuals about smokers blocking the doorways to buildings while smoking. The HAC received a letter about an altercation that almost broke out when smoke was blown in someone’s face and also about a situation in which an asthmatic had a negative physical reaction to walking through the second hand smoke from smokers congregating outside an entrance. Possible solutions for the above issues were brainstormed.

i. Move ashtrays 25 feet away from entrances. Lane Neubauer will contact the Director of Physical Facilities about this possibility.

ii. Contact the Director of Security for advice as to how to register a complaint if someone feels harassed when entering a building. Dina Oleksiak will pursue this.

iii. Health Advisory Committee to come up with a statement about courtesy and respecting the health of La Salle University community members to place on the portal and in Campus News (Marie Cantwell to work on this). Contacting the Collegian to see if one of the writers would be interested in investigating this as an issue and writing an article about it (Stefania Nolano will contact the Collegian).

II. Health Fair

a. Progress is being made. Thus far about 20 vendors have committed themselves to providing services to the fair.

b. Issue that Einstein is no longer providing Glucose screenings so the committee is looking to see if it can locate another source for this service.

III. March tip of the month

a. This will address ‘tips for cold/flu relief’.

b. Mike Lefthand will take responsibility for wording and placing it on portal and in Campus News.

IV. National Eating Disorder Awareness Week

a. Co-sponsored by PEER Educators, Health Services, Athletics, the ARC, ATA & DPE sororities.
b. 2 programs:
   
   i. March 1st 12:45 – 1:45 Panel Discussion with Health Psychologist, Nutritionist, Counselor and possibly a student in recovery (Holroyd)

   ii. March 3rd 12:30 – 1:30 Speaker from the Renfrew Center to talk about ‘Emotional Eating’ (Dunleavy Room).

   c. Eating Disorder self screening questionnaire will be placed on the La Salle Web page

V. Healthy Objectives 2010

   a. Mary Ellen Miller and Mary Ellen Wydan are working on ways to address the following objective: "increase the proportion of adults aged 18 years and older who engage regularly, preferably daily, in moderate physical activity for at least 30 minutes per day." which is one of the six priority health risk behaviors for this group.

   b. Efforts that are already in place include the number of fitness machines in the Hayman Loft have been increased as well as the hours for the fitness centers on campus & opportunities for physical activities in Late Night La Salle have been expanded.

   c. Ideas for the future may include building a physical fitness trail on campus, looking into the idea of turf for the playing fields so students have a place to participate in recreational activities on campus, organizing fitness activities such as ‘fun runs’, resident hall Olympics, etc.

VI. Increasing the visibility of the Health Advisory Committee

   a. Discussion ensued about the importance of the La Salle University community knowing who is on the Health Advisory Committee so if a community member wants to report a health issue they will know who to speak to. It was decided to look into seeing if the HAC can get an email address as well as listing the names of committee members on the “Health Tips of the Month”
