RE: Judicial Board Applications

Judicial Board applications will be available to the student body next week. Please encourage any students you feel would be capable members to apply. We are losing a significant number of seniors this year, so I would appreciate any effort that you could put toward this.

Applications will be available on the portal on Monday, February 6, 2006 and must be returned by Friday, March 17, 2006. If you have students you would like to nominate, I am also willing to follow-up with those persons by encouraging them to apply.

Thank you in advance for your assistance.
Health Advisory Committee Minutes
January 24, 2006

Present: Co-chairs: Lane B. Neubauer & Dina Oleksiak; Members: Andrew Beverly, Tina Lumbis, Chris McKeever, Angie Marfisi, Mary Ellen Miller, Scott Tajarian
Absent: Anne Bullard, Marie Cantwell, Luis Gomez, MaryAnne Peters, Rejeanne Richard,

I. Health Fair
   a. Updates from committees were given.
   b. Name of fair was decided to be “Let’s Get Physical in 2006”.

II. AIDS Brochure
   a. AIDS Brochure has been revised in order to restock the supplies.
   b. Minor edits were made to reflect current information about HIV/AIDS.
   c. The Division of Student Affairs will take care of reprinting and distributing.
   d. Outreach will be made to encourage inclusion of this information in employee training, to complement current efforts directed toward students.

III. Fitnet/ Fitsmart
   a. FITNET already has signed up over 300 people. There is increased usage of workout equipment and utilization of personal trainers available. It was suggested that student workers be aware when individuals don’t wipe down the equipment and remind users to do so.
   b. FITSMART is almost ready to go. A logo will go on a food choice of the day that fits certain health criteria. There will be bulletin boards with explanation of the FITSMART symbol.

IV. Letter from Housekeeping
   a. A letter was sent by the director of custodial operations to the Health Advisory Committee stating that some of the housekeeping staff did not feel information about MRSA reached them in a timely manner. Although information was available through the portal, campus news, the Collegian and posters about how to protect and prevent the spread of infectious diseases, the custodial staff felt that communication was not as efficient as possible.
      i. It was suggested that someone from Physical Plant staff regularly attend the Health Advisory Committee meeting to improve awareness of salient health issues occurring on campus.
   b. The letter further noted that there was an article in the Collegian, which indicated students’ lack of awareness of why there was an increase in soap and disinfecting wipe dispensers throughout the public showers and laundry facilities.
      i. It was suggested that Chris McKeever as a representative of Student Government and the Health Advisory Committee write a letter of explanation to the Collegian so students are aware of the health situations that brought about the recommendations to provide the above to decrease the spread of germs in these public places
      ii. Signs will be designed and placed on the dispensers. Whose responsibility it is for making the signs still needs to be figured out.

V. Spring Blood drive
   a. Scheduled for April 4 & 5.

VI. Smoking Issues
   a. No progress has been made on getting the “no smoking” signs up on buildings. This needs follow up with University Communications and Physical Facilities.
   b. Some ashtrays have been moved away from doorways but many remain right next to entrances to buildings. The Health Advisory Committee recommends that a line be painted 15 – 20 feet from doorways to designate where smoking is permitted.

VII. HAC Health Tips
   a. January tip already on portal and in Campus News: how to increase physical activity in your life.
   b. February tip currently being prepared: healthy relationships.

VIII. Next meeting will be February 24th, 11 a.m. in the Counseling Center Conference room.
