Dear Colleagues,

There will not be a visit from the Christian Brothers of the Philippines this summer. As a result, there will be no book collection necessary for our friend and colleague Brother Joseph Scheiter.

If the process does resume in the future, there will be a change in the type of material that Brother Joseph would like to receive. He will send that information to us if a future trip is scheduled. Shipping costs are his primary concern.

On behalf of Brother Joseph;

Thank You,

Samuel J. Pino Jr. and Michael Gilbert

Training Tips

A message from the Human Resource Training
Department about training and life-long learning.

"Do not wait; the time will never be 'just right'. Start
where you stand, and work with whatever tools you may
have at your command, and better tools will be found as
you go along."

Student Affairs Committee—April 25, 2006

Members Present: Dr. Joseph Cicala (chair), James Brightman, Dr. Claire Busse, Katie Daniels, Br. Robert Kinzler, Chris McKeever, Dr. Lane Neubauer, Erin Oakes, Dr. Patrice Oppliger. Guests: Alan Wendell, Mark Badstubner, Carolyn Lemongelli, Amber Mullen, Dawn Ohanessian.

1. Ms. Daniels and Ms. Oakes led us in a moment of prayer and reflection.

2. We reviewed, amended, and approved the minutes of our March 27 meeting.

3. We welcomed our guests, members of the Division of Student Affairs’ (DSA) Community Development unit.

4. We extended our appreciation to outgoing members Katie Daniels and Erin Oakes, each of whom has served with us for three years, and Dr. Patrice Oppliger, whose two-year appointment is at an end. All have served well and faithfully...and will be missed.

5. In follow-up to our recent conversation with Alcohol and Other Drug Program (AODP) Coordinator Dr. Robert Chapman, and to help fulfill the final recommendation from the first of the Council for the Advancement of Standards (CAS) Self-Assessments begun two years ago by DSA, we reviewed, slightly amended, and approved the new mission statement prepared by the AODP staff and revised/approved by the DSA Leadership Team.

6. In association with our guests from Community Development, we discussed in detail many of the sections of the latest draft of the CAS Self-Assessment Guide for Judicial Programs and Services. We agreed that broad areas for forward movement in the next year include further enhancement of efforts to proactively promote learning about Lasallian behavioral expectations and disciplinary policies and procedures; examination of and development of guidelines for refinement of the use of technology in disciplinary procedures and for the guidance of students in their own uses of technology that may pose risks to themselves or others and/or violate University rules and regulations; and expansion of our discrete and ongoing training and development opportunities for those who serve as Judicial Board members and those who serve as Preliminary or Administrative Hearing Officers.

Student Affairs Committee

Members Present: Dr. Joseph Cicala (chair), Dr. Claire Busse, Br. Robert Kinzler, Dr. Lane Neubauer, Benjamin Traino.

1. Mr. Traino led us in a moment of prayer and reflection.

2. The minutes of our February 21 meeting were reviewed and approved via e-mail prior to today’s meeting.

3. We reviewed in detail the latest draft of the Council for the Advancement of Standards Self-Assessment Guide for Judicial Programs and Services, which now reflects the contributions of both our committee and the Community Development staff. Comments and suggestions that arose in today’s discussion, over and above those contained in the draft, are listed below, preceded by the part of the guide to which they pertain.

   **Mission.** Expand educational efforts for students, staff, and faculty, such as the current “Community Standards Day,” and publicly present disciplinary statistics on an annual basis.

   **Program.** Consider adding presentations by Judicial Board student and faculty members during Opening Weekend, in direct connection with Day ONE’s “Weaving Your Web,” which Mr. Traino feels was highly successful, and analyze case outcomes by types of violations and so forth as a first step toward assessment.

   **Leadership.** Find ways to reward students for upholding the rules and regulations, in complement/supplement to the current program of sanctions for violating them, perhaps with housing points, campus store discounts, etc.

   **Assessment and Evaluation.** Case studies/case evaluations were suggested as additions to our current training and development methods.

4. Our discussion is scheduled to continue and conclude with our April 25 meeting, for which the Community Development staff will join us.

Respectfully Submitted By: Joseph J. Cicala, Ph.D.
