Health Advisory Committee Minutes
April 26, 2006

Present: Co-chairs: Lane B. Neubauer & Dina Oleksiak; Members: Andrew Beverly, Anne Bullard, Marie Cantwell, Luis Gomez, Tina Lumbis, Chris McKeever, Angie Marfisi, Rejeanne Richard, Scott Tajarian; Absent: Mary Ellen Miller, MaryAnne Peters

I. Health Fair
   a. Committee unanimously felt that Health Fair was a success – good attendance/ good feedback from both vendors and participants
      i. Set up and clean up went much smoother than in past years due to many volunteers from Health Advisory Committee, Division of Student Affairs, Peer Educators, SGA and IFSC.
      ii. Good variety of booths/ short waiting time for medical testing
   b. Improvements for next year
      i. Schedule for Tuesday or Thursday to take advantage of longer Universal Free time period.
      ii. Schedule the fair to start earlier and end by 2:00 as vendors began packing up when the Universal free time period ended even though Health Fair was scheduled to continue until 2:30.

II. Avian Flu
   a. A task force of high level University Administrators is being set up to proactively come up with protocols in the event of an Avian Flu outbreak.
   b. Dina Oleksiak will represent the Health Advisory Committee as well as Health Services on this committee.

III. Physical Fitness Class
   a. A student approached the Health Advisory Committee with the suggestion that physical fitness options be offered for elective credits (similar to how music classes are offered for elective credit). She was informed that the HAC does not have the jurisdiction to make this type of decision. The HAC directed her to the appropriate academic administrators.

IV. AIDS education - the La Salle AIDS policy states that AIDS education should be available for both students and employees – Students receive AIDS education through efforts of Student Health Services (classroom presentations, 1:1 education) and through Peer Educator programs. It is unclear who should be providing AIDS prevention education to employees. Clarifying this issue will be a HAC goal for 2006-07.

V. 2005-06 goals reviewed
   a. Smoking Issues
      i. Pursue the implementation of no smoking signs for all campus buildings – signs have been designed but not placed on entrances – it is unclear which department administrator needs to give the ‘go-ahead’ to accomplish this goal i.e. University Communications, Physical Facilities, Business Affairs?
      ii. Continue to encourage the movement of the ashtray away from campus entrances – some ashtrays have been moved to be away from entrances – however, the issue of individuals smoking at entrances and dropping their butts on the ground if an ashtray isn’t present now is a problem.
      iii. Explore how other campuses handle the issue of smoking on campus – most campuses who have ‘no smoking’ policies specify that ashtrays should be 25 feet from entrances.
   b. Healthy Objectives 2010
      i. Increase Physical Activity amongst La Salle University community members – several pursuits were initiated to address this goal including a ‘walking program’, improvement in equipment in the fitness center, trainers available for consultation and the initiation of FitNet (though Athletics Campus Recreation) – a portal channel which announces physical activity opportunities for the La Salle community which currently has over 315 individuals subscribing.
      ii. Raise awareness of nutrition and healthy eating.
         1. Food Services worked with a representative from the HAC and a Nutrition Department Intern to initiate Fitsmart – a program to raise awareness of healthy food choices in La Salle’s Food Services’ venues. A Fitsmart logo was designed to identify ‘healthy food choices’ and a mission statement for this program created. However, logistics were never fully worked out due to the need for a nutritionist (intern or staff member) who is able to work with Food Services on this project. Food Services will continue to discuss with the Nutrition department the feasibility of collaboration in implementing this program.
         2. Several programs were made available throughout the year raising awareness about healthy lifestyle choices such as ‘Healthy Eating’ week, “For Yourself “week and the Health Fair (“Let’s Get Physical in
c. **Continue monthly 'Healthy Tip of the Month'** to be placed on portal, in campus news, on posters, etc. – fully met!

d. **Organize successful Fall and Spring Blood Drives** – fully met!

e. **Plan successful Health Fair** – fully met!

f. **Assess success of alcohol and other drug prevention efforts** on campus and generate suggestions if appropriate - A subcommittee of the HAC met with the Alcohol and Other Drug program staff. The committee felt that AOD program’s prevention and intervention strategies for students are appropriate and reflect creativity and deep investment. However, results may not necessarily reflect these efforts i.e. substance usage remains high and an integral part of the student culture. The HAC subcommittee also noted that programs addressing substance issues for employees are missing as employees do not fall within the AOD program mission. Issue to be resolved is who is responsible for AOD education, prevention and intervention for employees?

g. **Address the prevention of MRSA and other communicative diseases on campus** – MRSA currently is under control – goal met!

VI. **Good byes and thank you’s to members going off of the HAC**: Rejeanne Richards (3 year member); MaryEllen Miller (2 year member).

Respectfully submitted: Lane B. Neubeuer Ph.D.

Administrative Assistant I:

The Department of Education seeks applicants for an administrative assistant to begin as soon as possible. Duties include administrative support to the Chair and general secretarial support to the Education Department. In addition the administrative assistant handles routine administrative functions to assure the smooth running of the departmental office and processes all Pennsylvania Department of Education teaching certificates for La Salle University graduates.

Minimum qualifications include a high school diploma and 3 – 5 years secretarial/clerical experience. Skill in using word processing, network and data base management programs, as well as a willingness to keep up with emerging technology is also necessary. The successful candidate will have strong interpersonal, problem solving and organizational skills.

Applicants should submit a letter of intent, resume, addresses and telephone numbers of three references to:

Dr. Frank Mosca
Chair, Department of Education
La Salle University
1900 W. Olney Avenue
Philadelphia, PA 19141.

Review of applications will begin immediately and the search will continue until the position is filled.
Procedures for Submitting Items for Inclusion in the Campus News

All information must be submitted electronically as text by selecting a web form located in the Campus News channel in the mylasalle portal (located in the Staff Services Tab).

- Accompanying graphics may be submitted separately in the following manner:
  - via e-mail to the campusnews@lasalle.edu. The article title must be included in the subject line of the e-mail.
  - via 1/4 floppy disk or CD
  - will be limited to one per article, unless a specific need for additional graphics is articulated. (EX: If La Salle and another organization partner for an event, the logos of both La Salle and the partnering organization would certainly be permissible.)

- PLEASE NOTE THE FOLLOWING: Graphics submitted may be resized to fit the document layout. Logos, signatures, and other graphics that are likely to be used frequently can be kept on file for future use. Please add a comment to this effect when you submit your graphic.

If you have any questions or need assistance...

We realize that the community is being asked to work a bit differently in terms of submitting articles to be included in the Campus News.

By supplying standard web forms for your use, we are attempting to create efficient processes that will make it easier for you to submit articles. For example, employment postings will be automatically routed to the appropriate individuals in Human Resources for review prior to being sent to the Campus News.

If you need assistance with submissions, please contact Jim Sell at 215-991-3615 or jsell@lasalle.edu
