Purchasing Textbooks

If you are taking an online course, the La Salle Bookstore has made it extremely simple for you to purchase your textbooks.

Order your books online through the Campus Store website, http://lasalle.bkstore.com/, which can also be found as a link on the La Salle homepage, and the mylasalle portal. On the Campus Store website, there is a link under “Announcements” for the textbooks available for online courses.

Ordering from the bookstore is a secure, simple way to purchase your texts. Please order your textbooks well in advance; they may take a while to be delivered.

Please see the following examples of the three steps you will go through to order your books:
IMPORTANT if you are a Pre-SLP student: Textbooks for online and face-to-face courses may differ for the same class. If you are taking online courses, look for the WB as the section code, i.e. SLH 200 WB.
