CALL FOR POSTERS

Guest Speaker: Cyndy Boyd, Ph.D. University of Pennsylvania
Building Clinical Competencies in Working with Sexual Orientation and Gender Identity

The Annual Diversity Forum includes a guest speaker and student poster session aimed to increase our knowledge and awareness of diversity within psychology. We invite the submission of abstracts for poster presentations from undergraduate and graduate students. Research posters should be related to the exploration of diversity.

- Psychology and related research is welcome.

- Diversity may include constructs such as: ethnicity, race, religion, sexual orientation, gender, gender identity, socioeconomic status, physical and mental ability, nationality, age, and more.

Each submission must be sponsored by a supervising faculty member or the organization’s faculty advisor. Awards will be presented to 3 outstanding posters. Please submit abstracts for research posters by email to psychdiversity@lasalle.edu by midnight on Monday, September 17th with the following information:
