Re: Resident and Community Assistant Selection

The Fall 2005 semester is quickly winding down. For Community Development, this means the start of recruiting efforts for the 2006-2007 Resident and Community Assistant Staff. In our preparations, we are seeking your assistance. In your position, you come in contact with students who have the potential to become tomorrow's student leaders. Through RA and CA positions, we offer an opportunity, which will allow those students to develop that potential.

A Resident Assistant is a paraprofessional staff member of the Division of Student Affairs. It is the responsibility of the RA to supplement and complement the process of formal education by enhancing the quality of life in the residential facilities. Therefore, we are seeking individuals who demonstrate initiative, dependability, and a positive attitude. Ideal candidates are also students who embrace the ideals of community living and have shown the ability to empower others. The positions in our upper-class apartment and townhouse facilities are called Community Assistants. While many of the same characteristics apply for both CA and RA applicants, for CAs we are especially looking for current sophomores or juniors who show the unique balance of being able to relate to and motivate their peers while serving as a positive role model who can hold their peers accountable for their actions.

We would like you to recommend possible RA and CA candidates. Please include the students' addresses and phone numbers if you know them. These nominated students will be given information about the RA and CA positions and application process.

You can e-mail your nominations to pompizzi@lasalle.edu or drop them off in the Union 303 by Wednesday, November 16, 2005.

Thank you in advance for your prompt attention to this matter. Your time and energy will benefit us all!!!! If you have any questions about the process or either of the positions, please feel free to contact Michael Miragliotta, Resident Coordinator at extension 2006.
The Labyrinth is a metaphor for life’s journey.

The Labyrinth is an ancient symbol combining the imagery of the circle and the spiral into a meandering yet purposeful path. Walking the Labyrinth is a metaphor for life’s journey toward, away from and ultimately to the center.

While the Labyrinth has pre-Christian roots, many Labyrinths were placed in floors of Gothic Cathedrals throughout Europe. The most famous of the remaining Labyrinths is laid into the floor of Chartres Cathedral near Paris France.

The 36 foot square canvas Labyrinth that will cover the floor of the De La Salle Chapel is modeled on the Chartres Labyrinth.
