To: To All Eligible Faculty

From: Bro. John McGoldrick  
Assistant Provost

Subject: Lindback Award Nominations

Since 1961, a generous award from the Christian R. and Mary F. Lindback Foundation has enabled La Salle to recognize excellence in teaching by members of its full-time faculty. The award is presented to a faculty member whose teaching is characterized by superior knowledge of the subject matter, vitality and inspiration in its presentation in class, and devotion to helping students realize their potential.

Nominations for the award are invited from members of the full-time faculty and students in all divisions and programs of the University. The final selection from those nominations is made by a committee composed of the Provost; the Deans of Arts and Sciences, Business, and Nursing; the President of the Faculty Senate; and the Vice President for Academic Affairs of the Students’ Government Association.

The award is presented at the annual Commencement Ceremonies in May.

This announcement has been e-mailed recently to all faculty members, along with a list of eligible faculty members and a nominating ballot. This ballot can be completed, printed, signed, and then sent to Dr. Elizabeth Paulin (Campus Box 316). Two other options are available:

- A printed version of the ballot and eligibility list are available in the Provost’s Office (Administration 315), in the Office of Professional and Continuing Studies (Benilde Hall, 1st floor), in the Office of the Dean of the School of Business (College Hall 211) in the Office of the Dean of the School of Nursing (Wister Mezzanine), and at the Bucks County Center.
- Faculty can also submit a nomination on line at www.lasalle.edu/provost/lindback.

The deadline for nominations this year is Monday, April 3, 2006.

Thank you.

Distinguished Faculty Awards - 2006

In Spring 2004 the Faculty Senate recommended, and the Provost approved, the creation of two distinct faculty awards: one for scholarship and one for service.

Nominations for the two Distinguished Faculty Awards are due Wednesday March 15, 2006. Nominations should be sent to Dr. Jacqueline Pastis, Chair of the Senate Subcommittee on Academic and Faculty Affairs, through Campus Mail (Box 134) or e-mail (pastis@lasalle.edu).

Faculty Distinguished Scholarship Award

1. Purpose:
The purpose of the award is to recognize and honor excellence in scholarship among our faculty colleagues.

2. Criterion for selecting a winner:
The award will be conferred for outstanding scholarly work done across one’s career at La Salle University (rather than for the activities of a single year). Letters of recommendation should clearly demonstrate how the nominee’s work is exceptional according to discipline specific criteria.

3. Procedures:
All full-time members of the faculty are eligible for the award. Prior receipt of any other award will not affect eligibility.

The ‘Awards Committee’—comprising the four members of the Faculty Senate Subcommittee on Academic and Faculty Affairs, two additional faculty members appointed for one-year terms by the Senate, and the Assistant Provost – will select the recipient from among nominations made by full-time faculty members. The at-large members of this Awards Committee will be selected in such a way that each of the schools of the University has at least one representative on the committee.

Early in the spring semester of each year, the Faculty Senate will solicit and receive nominations. Individual faculty members may nominate themselves or others by submitting a letter of nomination describing the contributions made by the nominee. The letters of nomination should be written so that they will stand by themselves as documentation of the justification for the award. On receiving nominations, the Awards Committee will inform the nominee and, if the nominee wishes to be considered for the award, the Committee will request that the nominee submit a curriculum vitae and the names of two external evaluators from whom the committee will then solicit confidential letters of support. The Committee will then meet to identify the award recipient. There will be one recipient per year. Generally, in order that the award may be conferred in a timely fashion in a given year, the process of nomination and selection will be completed by May Commencement.

The recipient’s achievements will be recognized and honored at the Fall Honors Convocation, and the recipient will have the option of addressing brief remarks to those gathered. The Provost will award the recipient an honorarium of $1,000.00, and an award certificate. In addition, as abiding public recognition of the recipient’s achievements, a plaque bearing the recipient’s name will be placed in a prominent public space on campus.
Faculty Distinguished Service Award

1. Purpose:
The Faculty Distinguished Service Award is intended to recognize excellence in service among our faculty colleagues. Complementing the Lindback Award and the Faculty Distinguished Scholar Award, which respectively recognize excellence in teaching and excellence in scholarship, this award is intended to recognize excellence in community service.

2. Criterion for selecting a winner:
This award is given for exceptional involvement in and devotion to the good of the University community for collegial contributions that advance the University’s mission, and for leadership in building a Lasallian sense of fellowship either among the branches of the University or between the University and the larger community to which La Salle belongs.

3. Procedures:
All full-time members of the faculty are eligible for the award. Prior receipt of this or any other award will not affect eligibility.

The ‘Awards Committee’—comprising the four members of the Faculty Senate Subcommittee on Academic and Faculty Affairs, two additional faculty members appointed for one-year terms by the Senate, and the Assistant Provost—will review the nomination letters. The at-large members of the committee will be selected in such a way that each of the schools of the University has at least one representative on the committee.

Early in the spring semester of each year, the Faculty Senate will solicit and receive nominations. Individuals may nominate themselves or others by submitting a letter of nomination describing the contributions made by the nominee. The letters of nomination should be written so that they will stand by themselves as documentation of the justification for the award, explicitly identifying the nominee’s service to the University. The Awards Committee will review applications and identify a short list of no more than three candidates. The committee will then meet with the Provost to identify the recipient. There will be one recipient per year. Generally, in order that the award may be conferred in a timely fashion in a given year, the process of nomination and selection will be completed by May Commencement.

The recipient’s achievements will be recognized and honored at the Opening Academic Convocation, and the recipient will have the option of addressing brief remarks to those gathered. The Provost will award the recipient an honorarium of $1,000.00 and an award certificate. In addition, as abiding public recognition of the recipient’s achievements, a plaque bearing the recipient’s name will be placed in a prominent public space on campus.

Student Affairs Committee-February 21, 2006

Members Present: Dr. Joseph Cicala (chair), Luke Bollerman, James Brightman, Dr. Claire Busse, Katie Daniels, Dr. Lane Neubauer, Erin Oakes. Guests: Art Grover, John Gallagher.

Members Absent: Candace Cannon, Br. Robert Kinzler, Chris McKeever, Dr. Patrice Oppliger, Bejamin Traino.

1. Mr. Bollerman led us in a moment of prayer and reflection.

2. We reviewed and approved the minutes of our January 24 meeting.

3. Dr. Neubauer thanked all who helped with the recent biennial administration of the CORE Alcohol Survey. A record number of students, more than 650, participated this year.

4. Our guests, Director and Assistant Director of Security and Safety Art Grover and John Gallagher outlined a proposed revision to student parking policies, in response to the impending loss of up to 75% of the parking capacity of the Good Shepherd property when development of the new supermarket/retail complex begins this coming summer. The proposed revision is the restriction of freshman resident students from applying for University parking privileges. Committee members expressed support for this proposal. Mr. Grover and Mr. Gallagher also indicated that they've recommended no increases in parking permit prices or in fines for violations for 2006-2007. A variety of related matters, from continued monitoring and refinement of shuttle routes and schedules to the value of working with Health Services staff in evaluating requests for parking policy exceptions for medical reasons, also were discussed.

5. Ms. Oakes and Mr. Bollerman provided updates about the forthcoming web/portal student survey and the recent Student Awareness Forum, both sponsored by SGA, concerning our student judicial system, in support of our committee’s Council for the Advancement of Standards (CAS) – based study of judicial services. Dr. Neubauer has received all but a very few necessary submissions from our members and the Community Development staff for the draft study document. The draft will be completed by the middle of next week and will be distributed to all our members and to the Community Development staff. We will discuss the document at length at our March meeting and we will ask the Community Development staff to do the same during the month of March. Our aim will be to have the Community Development staff as our guests for a mutual discussion at our final regularly scheduled meeting of this academic year, in April.
