Next week is La Salle’s 143rd Anniversary. The Charter was signed on March 20, 1863 so each year we celebrate the University’s birthday near that date. As part of the Charter Celebration we reaffirm the University’s mission and values. Some of the activities included in the Charter Celebration remind us of who we are and what our goals should be. The Faculty Development Workshop has been designed with this in mind.

Please come and celebrate our Charter on Thursday, March 23rd at the Liturgy (1:00 p.m. in the Chapel) and dinner (3:30 to 8:00 pm in the La Salle Union Ballroom). All offices will close at 3:30 p.m. so that the entire community can participate. We will have the usual fine foods from which you can choose and members of the community, including myself, will serve as guest chefs.

Also, please wear La Salle colors that day in honor of the University!

- Elaine D. Zelley, Ph.D.

To Professor:
- Frank Gardner, Ph.D.
- James A. Talaga, Ph.D.
- William Van Buskirk, Ph.D.

In addition, the following faculty members have been approved for tenure:

- Donna R. Fiedler, Ph.D.
- Frank Gardner, Ph.D.
- Ling Liang, Ph.D.
- Kristin Wentzel, Ph.D.
- Diane M. Wieland, R.N., Ph.D.
- Elaine D. Zelley, Ph.D.
- Bonni H. Zetick, Ph.D.

Please join me in congratulating these colleagues in this recognition of their continued growth as teachers, scholars, and valued members of the La Salle community.

Thank you.
March 15, 2006

Dear La Salle Students and Parents:

While this academic year closes out with meaningful events at La Salle University—from the celebration of our Charter in 1863 to our Commencement ceremony—we are well into planning for next year and beyond. We are building not only on the 143-year legacy of La Salle, but also on the 300-year tradition of the Christian Brothers, a focus on excellent teaching and what the Brothers’ founder, Saint John Baptist de La Salle, called “touching the hearts of our students.” We believe that our future is bright, and I am grateful that you have decided to be a part of our future.

As a Christian Brother, a La Salle professor, an alumnus and the University’s President, I am inspired and gratified by your confidence. In response, I renew my own commitment to making sure that our academic programs, student services, facilities and technology meet your needs.

Most importantly, at La Salle we hold a deep respect for each individual. It is a core value here. This means providing each student with the maximum possible individual support toward personal, intellectual and spiritual growth. We actualize our beliefs with concrete actions. Our early-alert freshman advising system now has more than 90 faculty and staff serving as advisers. The services of La Salle’s Writing Center have been expanded, and the Peer Tutoring system has been strengthened. This kind of personal approach to students has long been a characteristic of La Salle faculty—and it continues to flourish today.

La Salle complements this personal attention by making investments designed to enhance the total student life experience. The new 420-student residence, St. Basil Court, and adjacent dining facility, Treetops Café, opened this year. Investments in technology continue to be a priority. With the creation of a portal within the University’s Web site, internal communications have expanded dramatically for students, faculty, administrators, and alumni. Of particular note is the evolution and use of WebCT, course-management software that provides a convenient and beneficial shared resource for students and faculty in their classes. This summer, all-weather fields and lighting will be installed on main campus, thereby improving conditions not only for intercollegiate athletics but also for the recreational life of all our students. We are now raising funds for a science and technology center.

These kinds of investments inevitably contribute to an increase in the overall cost of education. However, you can be certain that I remain focused on keeping such increases as low as possible. Please refer to the enclosure for the tuition and fee schedule for the 2006-2007 academic year.

As you may know, tuition does not cover the full cost of educating our students. To help close the gap, we rely on the generosity of our alumni and friends, as well as on the support of private foundations and government grants. Knowing and appreciating the sacrifices that you make to pay for a La Salle education, we will continue to work hard at attracting additional support from these sources.

Thank you again for the confidence you have placed in La Salle University.

Sincerely,

Michael J. McGinniss, F.S.C.
President

To: To All Eligible Faculty

From: Bro. John McGoldrick
Assistant Provost

Subject: Lindback Award Nominations

Since 1961, a generous award from the Christian R. and Mary F. Lindback Foundation has enabled La Salle to recognize excellence in teaching by members of its full-time faculty. The award is presented to a faculty member whose teaching is characterized by superior knowledge of the subject matter, vitality and inspiration in its presentation in class, and devotion to helping students realize their potential.

Nominations for the award are invited from members of the full-time faculty and students in all divisions and programs of the University. The final selection from those nominations is made by a committee composed of the Provost; the Deans of Arts and Sciences, Business, and Nursing; the President of the Faculty Senate; and the Vice President for Academic Affairs of the Students’ Government Association.

The award is presented at the annual Commencement Ceremonies in May.

This announcement has been e-mailed recently to all faculty members, along with a list of eligible faculty members and a nominating ballot. This ballot can be completed, printed, signed, and then sent to Dr. Elizabeth Paulin (Campus Box 316). Two other options are available:

- A printed version of the ballot and eligibility list are available in the Provost’s Office (Administration 315), in the Office of Professional and Continuing Studies (Benilde Hall, 1st floor), in the Office of the Dean of the School of Business (College Hall 211) in the Office of the Dean of the School of Nursing (Wister Mezzanine), and at the Bucks County Center.
- Faculty can also submit a nomination on line at www.lasalle.edu/provost/lindback.

The deadline for nominations this year is Monday, April 3, 2006.

Thank you.

Health Advisory Committee Minutes
February 24, 2006

Present: Co chairs: Lane B. Neubauer & Dina Oleksiak; Members: Anne Bullard, Marie Cantwell, Luis Gomez, MaryAnne Peters, Angie Marfisi, Mary Ellen Miller, Scott Tajarian
Absent: Andrew Beverly, Tina Lumbris, Chris McKeever, Rejeanne Richard
Guest: Mike Gilber

OLD BUSINESS:
I. Health Fair
   a. Updates from committees were given. Approximately, 35+ vendors have been lined up to participate as well as four demonstration groups.
   b. Confirmations for cholesterol and glucose screenings have not yet been secured.

II. MRSA Update
   a. No new cases have emerged and all other cases have been resolved
   b. University Communication is working with Health Services to create signs to be placed on the disinfectant dispensers in the laundry room to instruct students as to their purpose and to encourage use.

III. Fitnet/ Fitsmart
   a. More than 400 students, faculty and staff have joined FITNET. As soon as the weather improves, the HAC in collaboration with Campus Recreation will look to kick off a community-wide walking program.
   b. Scott Tajarian showed the committee potential marketing materials for FITSMART with the slogan “smart nutritional choices for a more fit lifestyle”. This program will involve suggestions for healthy selections for meal choices posted each day. Currently, the decision when this program will officially be kicked off has not yet been made.

IV. Smoking Issues
   a. University Communications is working with Physical Plant to place signs on doors of campus buildings identifying that they are “smoke free”.
   b. Complaints continue to be brought to the HAC’s attention that ashtrays are placed at entrances to buildings resulting in individuals needing to walk through second hand smoke to enter the building. The HAC identified that many Universities do not allow smoking within 25 feet of entrances to buildings.
   c. Physical Plant has agreed to move the ashtrays if the HAC would identify which ashtrays need to be moved and recommend where they should be placed. Mike Gilbert offered to bring a map of the campus with the current placement of the ashtrays to the next HAC meeting so the committee can make these recommendations.

V. Health Tip of the Month
   a. HAC chose ‘low risk drinking’ and ‘drinking and driving’ as the topic to address for March due to the upcoming Spring Break and St. Patty’s Day.
   b. Mary Ann Peters is doing a fantastic job of coming up with the wording and graphics for the Health Tips and placing these on the portal and in campus news.

VI. Blood Drive – April 4 & 5.

NEW BUSINESS:
VII. Concerns about Olney Hall Air quality
   a. A letter was sent to the HAC questioning environmental issues in Olney Hall. The writer expressed concern that three faculty members who work in Olney have been diagnosed with cancer.
   b. This concern was brought to our Medical Consultant (Dr. Lalor) who stated that three cases of cancer especially of different types does not represent a cluster, so these incidences are very unlikely to be environmentally related. The two HAC members that are School of Nursing faculty concurred with this statement.
   c. Never the less, Mike Gilbert (Director of Housekeeping) is going to look for air quality report we had done 2 years ago for Olney Hall. This report came back stating that there were no problems with the air quality but the report will be revisited in case there is anything in it that might have been overlooked.

VIII. Avian Flu Preparations
   a. Although no cases of the Avian Flu have presented themselves in the U.S., universities are being asked to put proactive plans into place to be prepared if this situation were to occur.
   b. Dina Oleksiak informed the committee as to protocols she is developing based on recommendations by other Universities and the information from the Department of Public Health; these protocols are being reviewed by the Dean of Students and the Provost.
   c. Specialized medical supplies are being ordered to have in stock in case these would be necessary.

IX. Next meeting will be March 31st 11 a.m. in the Counseling Center Conference room.

Respectfully submitted: Lane B. Neubauer Ph.D.

Procedures for Submitting Items for Inclusion in the Campus News

All information must be submitted electronically as text by selecting a web form located in the Campus News channel in the mylasalle portal (located in the Staff Services Tab).

- Accompanying graphics may be submitted separately in the following manner:
  - via e-mail to the campusnews@lasalle.edu. The article title must be included in the subject line of the e-mail.
  - via floppy disk or CD
  - will be limited to one per article, unless a specific need for additional graphics is articulated. (EX: If La Salle and another organization partner for an event, the logos of both La Salle and the partnering organization would certainly be permissible.)

- PLEASE NOTE THE FOLLOWING: Graphics submitted may be resized to fit the document layout. Logos, signatures, and other graphics that are likely to used frequently can be kept on file for future use. Please add a comment to this effect when you submit your graphic.

If you have any questions or need assistance...

We realize that the community is being asked to work a bit differently in terms of submitting articles to be included in the Campus News.

By supplying standard web forms for your use, we are attempting to create efficient processes that will make it easier for you to submit articles. For example, employment postings will be automatically routed to the appropriate individuals in Human Resources for review prior to being sent to the Campus News.

If you need assistance with submissions, please contact Jim Sell at 215-991-3615 or jsell@lasalle.edu
