Activities Fair, January 29
Dear Colleagues:

I am pleased to announce the appointment of Ms. Kathleen M. Burns as Assistant Vice President for Finance, effective January 30, 2009. Kathy succeeds Art Glass in this important position.

Kathy is an accomplished senior-level finance administrator with more than 30 years of experience in the field—with the last 14 years serving as vice president for several major corporations, including Unisource Worldwide, Inc. and Alco Standard Corporation. Most recently, Kathy held two different vice presidential positions, Finance and Internal Audit, with IKON Office Solutions, Inc.

Kathy is a dual graduate of La Salle, earning her Bachelor of Science degree in Finance, followed by an MBA, majoring in Finance and Accounting.

In addition, Kathy served for 10 years on the University’s Board of Trustees and served as Chair of two committees, Finance and Trusteeship.

Please join the Business Affairs area in welcoming Kathy to her new role in a La Salle community with which she is already very familiar.

Sincerely,

Matthew S. McManness
Vice President for Business Affairs and Treasurer

Autism Spectrum Disorders: Best Practices in Assessment and Intervention

PETER DOEHRING, PH.D.

Director of Regional Programs at the Center for Autism Research at Children's Hospital of Philadelphia, (former Delaware Autism Program Director)

Wednesday, February 4, 2009
6:00-8:00 p.m.
Dan Rodden Theatre

Dr. Peter Doehring is currently the director of regional programs at the Center for Autism Research (CAR) at the Children's Hospital of Philadelphia where he works to describe, implement, and research programs for training and intervention related to Autism Spectrum Disorders (ASDs). He is interested in how we might build capacity for evidence-based assessment, education, and treatment in community-based settings that are accessible to a broad and diverse population. Dr. Doehring was originally trained in Canada as clinical-research psychologist, where he worked for 7 years to develop research and early intervention programs for children with ASD at the local and regional level. From 1999 until 2008, he served as State-wide Director for the Delaware Autism Program (DAP), one of the largest public school programs specializing in ASD in the USA.

RE: Judicial Board Applications

Judicial Board applications will be available to the student body next week. Please encourage any students you feel would be capable members to apply. We are losing a significant number of seniors this year, so I would appreciate any effort that you could put toward this.

Applications will be available on the portal on Monday, February 2, 2009 and must be returned by Friday, March 6, 2009. If you have students you would like to nominate, I am also willing to follow-up with those persons by encouraging them to apply.

Thank you in advance for your assistance.

Members Present: Dr. Joseph Cicala (chair), Dr. Lane Neubauer, Steve Kopec, Dr. Patricia Wilson, Dr. LeeAnn Cardaciotto, Vanessa Badalamenti, Stasia Ford, Matt Doyle, Chris Petrucci, Pat Terranova.  
Guests: Kate Ward-Gaus, Dr. Norb Belzer, Joe Birster.  
Members Absent:  
   1. Dr. Cicala led a moment of prayer and reflection.  
   2. We introduced ourselves and we reviewed our charge statement and membership list.  
   3. We engaged in an extended discussion of issues pertaining to recycling and sustainability. Mr. Terranova presented some of the views and efforts of an emerging, informal coalition of students and student organizations, with emphasis on a potential initiative to promote less usage of bottled water in our community, for a variety of environmental and social justice reasons. Mr. Birster, Associate Director of Facilities Management, made a thorough presentation about FM’s waste management and recycling work, to date and to come, along with related sustainability and environmentally-centered activities. Prof. Belzer offered several suggestions for particular focus to both Mr. Terranova and Mr. Birster.  
   4. Ms. Ward-Gaus led us in the second of our ongoing series of discussions about/reviews of the various components of the University’s policies regarding alcohol and other drugs, in connection with this year’s biennial review of policies and services as required by the US Department of Education’s Office of Safe and Drug Free Schools. We reviewed the elements of the relevant federal legislation. Members made several suggestions for enhanced implementation of our internal procedures going forward, e.g., considering the explicit addition of alcohol and drugs policy information to our guidelines for advisors to registered student organizations. All expressed confidence in the consonance between the federal requirements and our overall alcohol and other drug policies and procedures.

Members Present: Dr. Joseph Cicala (chair), Dr. Lane Neubauer, Steve Kopec, Dr. Patricia Wilson, Dr.LeeAnn Cardaciotto, Dr. Hsiao-Ping Biehl, Vanessa Badalamenti, Pat Terranova. Guest: Kate Ward-Gaus.

Members Absent

1. Dr. Cicala led a moment of prayer and reflection, with particular focus on the Drexel University, Virginia Tech, and Art Institute of Pennsylvania communities, all of which have experienced fatal tragedies during the past week. They are and will remain in our prayers.

2. We approved the minutes of our October 28, 2008 meeting.

3. We reviewed a proposal from Senior Associate Dean of Students Alan Wendell to revise the portions of the student disciplinary records policy published in the Student Guide to Resources, Rights, and Responsibilities to extend the number of years for which we retain records in cases other than suspension or dismissal from five to seven and to add language that will allow the disposal of records at that point for students who have simply not been enrolled, in addition to those who have graduated or formally withdrawn. All understood the need to permanently retain the records of dismissed students, and all are in favor of the proposed revisions. A question was raised about the reasoning behind the current policy’s provision for the retaining of records of suspended students for ten years; that point will be clarified before further action on this proposal is taken. We briefly discussed FERPA privacy rights and related University procedures with respect to disciplinary records, as well.

4. We reviewed a proposal from the Student Press Committee to modify its charge and change its name to the Student Media Committee. Approval for the proposal was expressed, and it will be forwarded for review by University Council and the Council’s advice to the President.

5. We reviewed a proposal from the Student Health Center to cease the practice of administering allergy injections at the Center, given concerns about and emerging national standards for the types of medical supervision and procedures that need to be in place for the administration of such injections in comparison and contrast with our current staffing and other resources, and to begin the routine referral of students to the Albert Einstein Medical Center’s (AEMC) Allergy Clinic. Committee members expressed tentative support of the proposal and await the answers to several questions, centering on whether or not (or the degree to which) the student health insurance plan with which La Salle affiliates will cover the costs at the clinic and/or whether or not our Student Health Center staff can work out a suitable arrangement for student injection fees at the clinic; whether or not any of our published fees or statements with respect to the health services the University provides currently promise or imply this service and, if so, what alternative language would be proposed; and identification of the specific location of the clinic at AEMC, so that the proximity to one or more of the University’s shuttle stops might be fully understood. Dr. Neubauer will gather this information for presentation and discussion at our next meeting.

6. Dr. Cicala referred his fellow committee members to today’s announcement by the Provost of the appointment of Anna Allen as Interim Dean of Students, following Dr. Cicala’s February 18 departure to assume the position of Vice President for University Life at Alvernia University, and thanked his fellow members for their service this year and always.
