The Lasallian Distinguished Educator Award 2009-10

The Lasallian Distinguished Educator Award is given annually to honor the men and women who have put into practice St. La Salle’s vision of committing oneself to the real needs of students. Each year, Lasallian schools across the nation are invited to name honorees and in this way preserve the memory of the Founder and work of The Institute.

The Lasallian Distinguished Educator Award Review Committee, which makes recommendations to the President, invites the campus community to submit nominations for the 2009 award. I am writing on their behalf. I ask that you submit the name of anyone whom you feel meets the qualifications for this award as described on the reverse side of this letter. A statement in support of the candidate should accompany the nomination.

All faculty, staff and administrators are eligible for consideration. In most years, we have named honorees whose work is related to a unifying theme proposed by the Regional Education Board (REB) of the Christian Brothers Conference. This year, the REB’s theme for the award is honoring those who “are ministering to children and families in crisis.” All of us know La Salle faculty and administrators who have assisted students in crisis – crisis in all of its various forms – or who have educated and advocated on the topic.

I ask that you submit your nominations to me by April 17 either via campus mail (box 801) or via email. Should you have any questions regarding this award, please feel free to contact me.

Thank you,

Ray Ricci

The Lasallian Distinguished Educator Award

The Lasallian Distinguished Educator Award is given annually to honor the life, the vision, and ideals of St. John Baptist De La Salle, the namesake of the University, the founder of the Christian Brothers, and the patron saint of teachers.

The award is given to those who exhibit in their daily lives a commitment to Lasallian priorities and traditions: the paramount importance of teaching in a values framework; of working together to build genuine community; of service and sensitivity to the needs of others particularly the poor and marginalized; of demonstrating respect for the uniqueness of the individual student. This award recognizes those who have opened their hearts and minds to these ideals and devoted themselves to this work.

Award winners build others up and encourage the heart. They teach by example. By doing so, they help colleagues and students experience the University's heritage and its distinctive Lasallian character. To paraphrase the words of St. La Salle, they “put into practice what we want our students to believe.” As a result, they continue to give life to the values that have animated and sustained the University.

Because the University believes that all members of its community contribute to an environment in which we “touch the hearts of students,” the Lasallian Distinguished Educator Award is open to faculty, staff and administrators. Previous honorees are not eligible for consideration.
