Faculty Senate Meeting
April 27, 2010

Excused:  M. Allen, D. Falcone, M. McGuinness

Executive Session
The Faculty Senate convened in Executive Session for committee appointments.

Approval of Minutes
The minutes of the meeting of April 8, 2010 were approved by a vote of 13-0-3.

On-Going Faculty Development for Tenured Faculty
Dr. Marianne Dainton and Dr. Joseph Volpe led a discussion of a proposal for on-going faculty development that came out of the Faculty Salary Task Group, which has been meeting since 2005. This present proposal came after the Salary Compensation proposal was already approved, recognizing faculty hired before 1999. Rather than a performance appraisal system such as that adopted for staff, the Group has moved toward this present proposal, which calls for on-going faculty development.

There was discussion regarding the process for review of non-tenure track faculty and how that differs from the proposal for ongoing faculty development for tenured faculty. There was also discussion of the lack of a means for non-tenure track faculty to advance in rank with the accompanying increase in salary. This is an item for further discussion.

There was also discussion of whether the document was sufficiently clear regarding the responsibility of faculty toward the areas of teaching, scholarship, service, and other activities, such as practice, partnerships, and community engagement.

President Welsh asked that Senators e-mail comments on this draft to Dr. Dainton and to Dr. Volpe. President Welsh suggested that this proposal, with any changes agreed upon, come up for a vote of endorsement from the Senate at the meeting of May 12, 2010.

The meeting was adjourned at 1:50 p.m.

Respectfully Submitted by
Bonni H. Zetick, Secretary
