For more information, please contact Miranda Clark-Binder at ext. 3680 or email clarkbinder@lasalle.edu.
November Health Tip: Blood Pressure

What is blood pressure?

- Blood pressure is the measure of pressure exerted by blood against the walls of your arteries.
- Normal blood pressure is <120/80.
- High blood pressure is known as Hypertension.
- High blood pressure is classified when you have two or more readings of the top number ≥140 and the bottom number ≥90.
- Hypertension does not always cause symptoms that you can see or feel, so it may go unnoticed!

*Does anyone in your family have high blood pressure?*  
- Remember high blood pressure is genetic, so you should be aware!

*Smoking, obesity, and diabetes are all major diseases that can cause high blood pressure!*

*Be careful. It rarely causes symptoms, but it can affect your whole body.*

*It increases risk for strokes, heart attack, and kidney problems!*

GOOD NEWS! You can prevent high blood pressure: plus there are ways to control already existing hypertension!

How can I prevent or control my high blood pressure?

- Maintain a healthy weight by exercising. Even losing 5lbs. can help lower your blood pressure!
- Eating low sodium foods, more fruits and vegetables, whole grains, and low fat food
- Drink less alcohol and **quit smoking**.

Re: Resident and Community Assistant Selection

The Fall 2010 semester is quickly winding down. For Community Development, this means the start of recruiting efforts for the 2011-2012 Resident and Community Assistant Staff. In our preparations, we are seeking your assistance.

In your position, you come in contact with students who have the potential to become tomorrow’s student leaders. Through RA and CA positions, we offer an opportunity, which will allow those students to develop that potential. A Resident Assistant is a paraprofessional staff member of the Division of Student Affairs. It is the responsibility of the RA to supplement and complement the process of formal education by enhancing the quality of life in the residential facilities. Therefore, we are seeking individuals who demonstrate initiative, dependability, and a positive attitude. Ideal candidates are also students who embrace the ideals of community living and have shown the ability to empower others. The positions in our upper-class apartment and townhouse facilities are called Community Assistants. While many of the same characteristics apply for both CA and RA applicants, for CAs we are especially looking for current sophomores or juniors who show the unique balance of being able to relate to and motivate their peers while serving as a positive role model who can hold their peers accountable for their actions.

We would like you to use the form below to recommend possible RA and CA candidates. Please write the names and addresses of these students and return it to Community Development, Union 303, Box 819 or e-mail your nominations to moranc@lasalle.edu by Thursday, November 18, 2010. These nominated students will be given information about the RA and CA positions and application process.

Thank you in advance for your prompt attention to this matter. Your time and energy will benefit us all! If you have any questions about the process or either of the positions, please feel free to contact Christina Moran, Resident Coordinator at 215.951.1916 or Extension 1916.

Susan Adams, MS, RD, LDN, Nutrition

Wednesday, November 17, 3:00 p.m.
Holroyd Lobby (Free Food)

Everyone needs to eat but not everyone is hungry. With food ingrained in our culture and intimately tied to our health and well-being, how is it that so many go hungry each day? Is access to healthy, nourishing food a privilege or a human right? At this Explorer Café we’ll address key issues of hunger, taking a closer look at the phenomenon in our own backyard—Philadelphia. Who are hungry in Philadelphia and why are they hungry? Is it possible to be hungry and obese? What roles can/should we play in combating hunger in our communities?

Explorer Cafés are every Wednesday at 3:00p.m. Open to all.
