SUBJECTS: Change in Schedule for Friday, May 27, 2011
          Summer Hours Policy for 2011
          Holiday Schedule 2011-2012 (See accompanying sheet.)

Change in Schedule for Friday, May 27, 2011: “Early departure 12:30 p.m.” has been changed to a full day holiday.

Summer Hours Policy for 2011: We are delighted to announce that once again we have authorized a condensed weekly work schedule for several weeks during the summer. This will be our third year for the implementation of this policy, which has been well-received.

For the summer of 2011, the condensed schedule starts with the week beginning Monday, June 6, and continues through the week beginning Monday, August 8—with the exception of the week beginning Monday, July 4, because that day is a University holiday for Independence Day. Regular hours (8:30 a.m. to 4:30 p.m.) apply for Tuesday, Wednesday, and Thursday of that week. The hours for Friday, July 8, will be 8:30 a.m. to 3:30 p.m. Please note: Aside from the condensed schedule, on three Fridays—May 20, June 3, and August 19, offices will close at 3:30 p.m.

Depending upon your responsibilities and upon the approval of the head of each division, the employees of a department will be allowed to work under this condensed weekly work schedule. The adjusted schedule will not apply to some departments that provide essential services, like those who conduct the summer conference business of the University. Similarly, the Security and Safety Department will remain on their regular work week.

The condensed weekly work schedule for salaried employees during the approved summer period is Monday through Thursday from 8:15 a.m. to 5:30 p.m. with a one-half hour nonpaid lunch period. This is the schedule for both exempt and non-exempt salaried personnel.

All full-time hourly employees who work in departments with an authorized condensed weekly work schedule will be notified of the daily work schedule assigned to their positions during the work period between Monday and Friday, which will include a one-half hour nonpaid lunch period.

If you have any specific questions, please address them to your immediate supervisor. For more general questions, call Human Resources at ext. 1013.

We are grateful for your many contributions to La Salle and wish you an enjoyable summer.

Subject: Student Awards Nominations  
Date: February 2011

Nominations for the awards described in detail below are hereby solicited and will be accepted from members of the faculty and administration through Monday, February 28, 2011. Please go to the following website: http://www.lasalle.edu/students/dean/awards/student/ and nominate a worthy graduating senior. Students nominated will also be asked to have written recommendations submitted on their behalf. Students may approach you at a later date, requesting a letter of recommendation to support this nomination. General letters of recommendation, while true, are often less helpful to the Committee.

Methods of Designating Recipients  
1. Any administrator or faculty member may nominate a senior for the awards.  
2. To compete for an award, a senior must be nominated by an administrator or faculty member.  
   (Nominations for Flubacher Awards will be accepted from student organizations.)  
3. Any senior who deems himself/herself qualified may request a nomination for an award from an administrator or faculty member.  
4. The appropriate awards committees will have the authority to adjudicate recipients from those nominated.

The Joseph F. Flubacher Student Leadership Award is offered to a graduating student who has made a contribution to the quality of student life by demonstrating significant leadership in student organizations, university governance, and/or intercollegiate athletics.

Qualifications  
1. The recipient shall be a graduating senior from the Day Division of the University.  
2. The student shall have demonstrated exceptional leadership skills throughout his/her university career. The student shall have significantly enhanced the membership, programs, and/or goals of a particular organization(s); made a contribution to the work of a university committee; and have had a positive impact on the general program of student life.  
3. The student’s record should be free from major disciplinary sanctions, i.e. probation.  
4. Academic standing will be a major consideration but will be given less weight than evidence of leadership skills and accomplishments.

The Brother Emery C. Mollenhauer Award is presented to that graduating senior who best exemplifies those Lasallian values to which Brother Emery was committed during his tenure as Provost, in particular the values of charity and justice which are hallmarks of St. John Baptist de La Salle’s pedagogy.

Qualifications  
1. The recipient shall be a senior, graduating student of the University.  
2. The recipient shall have demonstrated, over a period of time, a commitment to community service activities on or off campus.  
3. The student should exemplify through his/her involvement in such activities a dedicated concern for the principles of peace and justice.  
4. The student shall have at least a 2.5 cumulative Grade Point Average at the time of application.

The James A. Finnegan Memorial Award is offered to the member of the graduating class who by virtue of accomplishment and service is judged by the faculty to show promise of applying Judeo-Christian ideals of social justice in a political or governmental career.

(Continued on the next page)
(Continued from the previous page)

**Qualifications**

1. The senior to be considered for the award should offer some *prima facie* evidence of participation in political affairs on and/or off campus. Leadership and participation in other extra-curricular activities are also to be considered, though given somewhat lesser weight. There should also be some indication on the part of the senior of intent to pursue a career in politics and/or government.

2. In exemplifying ideals of Judeo-Christian social justice, the recipient should exhibit integrity and courtesy in all of his/her endeavors.

3. Ordinarily, the recipient will be in the upper half of his/her graduating class.

**The John McShain Award** is offered to the member of the senior class who maintained an excellent scholastic record and is considered by faculty to have done the most for the public welfare of La Salle University.

**Qualifications**

1. The recipient shall be a senior, graduating student of the University.

2. High scholastic achievement normally shall be interpreted to mean Dean’s List standing.

3. In recognition of the monetary value of the award, the recipient should show evidence of his/her intent to attend graduate or professional school.

4. Primary consideration shall be given to leadership and participation in those activities which advance the good name of the University beyond the immediate campus and which enhance the role of La Salle University in the life of the region.

**The Student Activities Achievement Awards** are presented to those graduating seniors who have made significant contributions to La Salle’s program of extra-curricular activities. Traditionally, these awards have been intended to recognize those students who do not qualify for other award programs due to academic or other criteria that limit the number of award recipients. Faculty members and administrators, particularly those who work closely with student organizations, are invited to nominate as many students as they feel are deserving of these awards.

When nominating students, please keep in mind that our intent is to recognize *significant* contributions. As the number of recipients has increased dramatically in recent years, concern has been expressed (often by students themselves) that nominators and selectors should discriminate carefully in order to assure that students recognized are truly distinguished.

Heritage Week
March 24, 2:00 - 5:00
Olney Lobby

The Project on Justice invites you to take part in this first of its kind event to be held during the University's celebration of its charter. We know that there are many wonderful projects, some long-standing and some recent; most are local while others take place in other parts of the country as well as overseas, that target socially intractable issues. These efforts deserve our attention and celebration. We certainly have not entered into these challenges alone. Partners that are available should join us as we share our commitment to creating a more equitable life for all.

We will have the Olney Lobby for a reception and opportunity for you and your group to showcase the good work that you do. There will be tables for the groups to set up posters with pictures and "artifacts" or laptops that demonstrate the good work you have been doing. Visitors will be able to go around to see display and speak with you.

Use this opportunity to bring information that will enable others to join you. Please let us know you are interested by providing us with the following information by March 1, 2011. We are creating a Power Point that will run during the reception. Each group, individual, or service-learning class will have a slide that will represent their work.

What comes to mind when you hear “public relations”? Public Relations has long been associated with publicity stunts and propaganda along the lines of P.T. Barnum and Hollywood agents. In reality, however, public relations practitioners are well-educated professionals who base their work and reputation on the mutually beneficial relationships they build with their clients. This Explorer Café will look at recent news stories to see how these relationships influenced the outcome of national news events.

Please note the special day and location for this Explorer Café. Our regular Wednesday schedule will resume when we return from Spring Break beginning with Wednesday, March 16.

Please encourage your students to complete the National College Health Assessment!

The first 400 students to complete the National College Health Assessment will be entered into a drawing for one of three $100 gift cards to Barnes & Noble. For every 100 additional surveys completed, another $100 gift card will be offered!

Email invitations with instructions were sent on Monday, February 14th. Deadline for completion is Friday, March 4. Participation is completely voluntary and confidential. Names or e-mail addresses will never be associated with responses.

Information gathered will be used to improve and enhance health promotion programs at La Salle University!
