Preserving Illustrated and Historic Bibles
and
Curating a Digital Collection
Through Constructive Partnership

This exhibit honors the mission of the Susan Dunleavy Collection of Biblical Literature, by highlighting its significant holdings, which not only contain beautiful and inspirational imagery but also feature some of the most notable Bibles in the world. The exhibit aims to highlight our partnership with Villanova University’s Digital Library, and to announce that, in celebration of the 400th anniversary of the 1611 Authorized King James Version of the Holy Bible, the Collection's first edition "Great He Bible,” printed in 1611, is now online.

Now on display until July

First Floor, Connelly Library
Health Advisory Committee Meeting
April 29, 2011

Present: Co-Chair: Lane Neubauer; Members: Kate Cook, Br. John Crawford, Mike Gilbert, Matt Gionta, Jeff Lyons, Chris Mickel
Absent: Co-Chair Dina Oleksiak; Marjorie Allen, Mark Badstubner, Lindsay Cicchino, Lexi Major, Vanessa Ocasio, Mary Wilby

I. Health Fair Debrief
   a. Approximately 650 students, faculty, staff and administrators attended the Health Fair.
   b. Feedback collected on the evaluations was overwhelmingly positive.
   c. The only suggestions for improvement identified on the evaluation forms for next year’s Health Fair included supplying information on Diabetes and Diabetic care and providing health tips for a vegetarian lifestyle.

II. Walk at Lunch – April 28
   a. Fifty-nine participants from all areas of La Salle took part in the mile walk even though a last minute decision moved it inside to the Tom Gola Arena due to deteriorating weather conditions outside. Of the 59 walkers, 12 were students. Staff, faculty and administrators who took part in the walk came from the following departments: School of Business, School of Arts and Sciences, School of Nursing and Health Sciences, Professional and Continuing Studies, Athletics, President’s office, Security, Food Service, Enrollment Services, Human Resources, Information Technology, the Library, Alumni Relations, Advancement, BUSCA, University Communications, UMAS, Community Development, University Life, Peer Educators, the Hispanic Institute, and the Communication Department.
   b. The Walk at Lunch committee consisted of the following Health Advisory Committee members: Katie Cook, Mike Gilbert, Matt Gionta, Chris Mickel, Lane Neubauer, Dina Oleksiak, and Mary Wilby. Rupal Patel represented Peer Educators on the committee. The Walk at Lunch event was incorporated into the Peer Educators’ Stressbuster Week’s events.
   c. Athletics donated pedometers for the event. Athletics supplied bottled waters. Human Resources financed the advertising. Students Government Association supplied some of the raffle prizes.
   d. The La Salle Dance Team kicked off the event by performing a routine to energize the walkers.
   e. All in all, the event was considered a large success, as seen by several participants requesting that this be repeated on a regular basis. The HAC does not feel it has the time or resources and/or that it is their purpose to plan regularly occurring scheduled walks but will definitely repeat the event next year to coincide with the National IBX-sponsored event.

III. Smoking Proposal
   a. Unfortunately there is no progress to report at this point. The HAC’s Smoking Proposal was presented to the Vice Presidents’ team and it was met with basic approval. However, next steps have not yet been communicated to the Health Advisory Committee.
   b. Complaints about second hand smoke continue to be received by HAC members from students and staff. The latest was from a Library staff member who complained about students smoking on the Library steps and the smoke going into the library.

IV. 2010-11 HAC accomplishments
   a. Two successful Blood Drives (Fall & Spring Semester)
   b. Well attended and well received Health Fair
   c. Step stools obtained for Security vans and shuttles as a result of HAC bringing this to Safety and Security’s attention.
   d. Smoking Proposal has been advanced to the Vice President’s Team for approval and action.
      i. Several departments, administrative units, and student organizations submitted letters of endorsement for the HAC’s Smoking Proposal to move smoking to “designated smoking areas.”
      ii. Lane Neubauer (HAC co-chair), Barbara Grosshauser, and Vanessa Smith Dougherty (Public Health Nursing faculty members), and eight public Health student nurses attended the City of Philadelphia’s Department of Public Health’s “Smoke-Free Universities” day-long symposium.
   e. Monthly Health Tips published in partnership with the Student Nurses Association of Pennsylvania (SNAP).
   f. Air quality in Wister Hall tested and feedback given to the HAC that quality is within normal limits.

V. Words of thanks and appreciation were given to the departing active Health Advisory Committee members who have completed their two years of service on the committee. These include Br. John Crawford and Mary Wilby who have both been extremely valuable contributors to the success of the committee’s work over the past two years.

Respectfully submitted by
Lane B. Neubauer Ph.D. Co-chair
