A message about training and life-long learning from the Human Resources Department

To: La Salle Community
From: John Gallagher
Date: July 14
Subject: South Campus—Lindley Ave. Driveway Entrance

Please be advised of an on-campus security enhancement project that is underway near the campus entrance at Lindley Avenue on South Campus. When the project is completed the entranceway at Lindley will be widened, a lockdown gate added, a security booth and access restricting gate arms will be erected, lighting enhancements and bluelight emergency phones will be added as well.

The project may require intermittent road closures on the South Campus roadway leading into campus from Lindley Avenue. During these closures access to South Campus and Main Campus areas can be accomplished by using the 20th Street campus entrances. The project is scheduled to be completed by the week of August 1, 2011.

We appreciate your understanding and cooperation.
