HUBERT ROBERT’S 1784 THE TOMB OF VIRGIL AT POSILIPO, NAPLES IS TRAVELLING TO ITALY

This painting, which is housed in La Salle University Art Museum’s 18th Century Gallery, leaves in early October, 2011, for a special exhibition at the Palazzo Te in Mantua, Italy. The painting will return to La Salle’s campus after the exhibition closes in January, 2012.

Reportedly born Robert Hubert (1783-1808), Robert was imprisoned during the French Revolution but escaped the guillotine by reversing the order of his names. Like many 18th-century artists, Robert sought the sights of Italy for instruction and inspiration and studied at the French Academy in Rome. It is believed that *The Tomb of Virgil at Posilipo, Naples* was created from a sketching trip to southern Italy and Sicily.

Proximity to Evil
(First Tuesday Café)

Marc Moreau, Ph.D., Philosophy

Tuesday, October 4, 4:00p.m.
Holroyd Atrium. Free Food.

At this café we will explore the moral significance of our closeness to victims and to perpetrators of evil. According to a teaching with a long tradition, our closeness increases our responsibility for alleviating evil suffered and also for redressing evil done. What is the rationale for this traditional teaching? Has that rationale been undermined by developments in the modern world? As always, the discussion is open to all points of view.

“First Tuesday” Explorer Cafés are in lieu of our regular Wednesday series. Please note the change in day and time for this week.

Explorer Cafés are every Wednesday at 3:00p.m. except for “First Tuesday” Cafés (4:00p.m. on the first Tuesday of each month beginning in October).

The 2011 Edition of the *Annual Security and Fire Safety Report* is Now Available

La Salle’s Security and Safety Department is committed to assisting all members of the University community in providing for their security and safety.

One of our responsibilities is the annual publication and promulgation of security and safety-related information. This information for 2010 is now available both in a publication and on the La Salle University Web site. The Report contains information on campus security and personal and fire safety, including crime prevention, crime-reporting policies, and other important matters relating to security on campus. It also contains statistics for the three previous calendar years on reported crimes that occurred on campus, in certain off-campus buildings property owned or controlled by the University, and on public property within or immediately adjacent to or accessible from the campus. The Report includes statistics and information related to fire safety on campus.

If you would like a copy of the publication, you may obtain one on the main campus at Security and Safety’s Headquarters or the office of University Communications, and at the front desks of the Bucks County Center and Montgomery County Center, or you can request that a copy be mailed to you by calling 215.951.1083. You may locate the online version at www.lasalle.edu/safetyreport.

If you have any questions, please contact Director of Security and Safety Arthur Grover at 215.951.1675.
