This training is certified by the Interpersonal Psychotherapy Institute as level “A” psychotherapist training, as recommended by the International Society of Interpersonal Psychotherapy (ISIPT).

This workshop is designed for mental health professionals and graduate students. SPEECHES ARE DUE MARCH 14, 2012

Graduating seniors from the day and evening divisions are encouraged to apply for selection as the student speaker for the Commencement 2012 Ceremony. A committee of students, faculty, and administrators will choose the speaker. The content and style of presentation of the speech will be the primary criteria used by the selection committee. The delivery time of the speech must be no longer than five (5) to eight (8) minutes. A suggested norm is one typed (double-spaced) page per speaking minute.

Go to the following link: http://so-media.lasalle.edu/commencement/ and follow the directions to submit a speech by Wednesday, March 14, 2012. Members of the selection committee will then review unidentified copies of the speeches and they will determine the final pool of students to be invited for in-person auditions which will take place on Wednesday, April 11, 2012 in the Rodden Theater. Students will be notified as early as possible if they are among those selected for auditions.

This year, for the first time, students finishing graduate programs will have a similar opportunity to compete for the honor of delivering an address during the Graduate Program Commencement Ceremony to be held on Friday, May 18, 2012. Use the same link: http://so-media.lasalle.edu/commencement/ and follow the directions for graduate students and submit a speech by Wednesday, March 14, 2012. Members of the selection committee will then review unidentified copies of the speeches and they will determine the final pool of students to be invited for in-person auditions which will take place on Tuesday, April 10 and Thursday, April 12 from 6-7:30 p.m. in the Rodden Theater. Students will be notified as early as possible if they are among those selected for auditions.

Thank you for your attention and response to this invitation. Writing a commencement speech is a challenging and rewarding task. If you have additional questions or concerns about appropriate content or the selection process, please do not hesitate to contact University Life @ ext. 1374.
Is All The World A Stage?

Facilitated by
James Jesson, Ph.D.,
English Department

Wednesday, February 15, 3:00 p.m.
Holroyd Atrium. Free Food.

Are you a drama queen? The life of the party? Teacher’s pet? How much of our lives and personalities amount to “characters” that we play? If “all the world’s a stage,” is there a real “you” deep inside, or are you just an actor playing different roles in different scenes (one in class, another around family, and yet another with friends)?

This café will explore what the characters in plays, movies, and television shows can tell us about how personality is formed, how it changes, and how it is viewed by the “audiences” that each of us performs before.

Explorer Cafés are every
Wednesday at 3:00 p.m.

Re: 2012 Spring Break Closing Procedures

All University residences will close on Friday, March 2, 2012, at 6:00 p.m. and will re-open on Sunday, March 11, 2012, at 9:00 a.m. All students must vacate University housing by 6:00 p.m. on Friday, March 2, 2012, unless they have an approved housing extension.

Housing extensions for students living in the resident halls will be granted only for students who need temporary housing for University reasons or to assist with travel arrangements. Students requesting a housing extension must submit their request no later than February 17, 2012. No exceptions will be made after this date without incurring additional late fees.

To request a housing extension for this or any University break period (Thanksgiving, Winter Break, Spring Break or End-of-the-Year Closing), students can submit requests on-line through the MyLaSalle Portal on the Life at La Salle tab in the Living channel.

Academic, department and program chairs/coaches/supervisors should submit a list of approved students participating in academic or other University related events. The list of students should contain the student’s name, ID #, and their purpose for staying beyond the deadline date for any applicable periods. Your list is for reference purpose only and does not mean a student has been submitted for an extension request. As many students stay for various reasons and needs, each student must submit their own requests. We use the information you provide to verify specific requests.

A list of on-call emergency personnel will be available for Spring Break on the “Residential Living” portal group for the on-call Administrative Services, Security and Community Development staff.
