WHO AM I?

CLUE: "Here I am as a very young child. I grew up nearby in West Oak Lane and have been working here at La Salle since 1999. If you come by my place of work in the morning, I usually greet you with a smile and by name. While you usually see me in the Union, if you think you see me also in Treetops, you're not seeing double."

Do you know who this person is? Send the name along with your name to campusnews@lasalle.edu. [Her identity will be announced in the next issue.]

If you have a photo of yourself from the past and would like to be featured, please send it along with a clue to the above e-mail address or to Campus News, Box 187. All prints of photos will be scanned and returned.
Video Recommendations from Connelly Library

This week’s recommendations highlight some of our recent feature films. To find other films, visit us in the AV department on the lower level of Connelly Library or see our new guide to the AV department at http://guides.lasalle.edu/audiovisual. (Unless otherwise stated, all plot summaries are from the Connelly Library catalog.)

Midnight in Paris (2011) - 2012 Academy Award for Best Original Screenplay
Cast: Kathy Bates, Adrien Brody, Owen Wilson, Marion Cotillard, Carla Bruni
In this romantic comedy from Woody Allen, the plot centers on a small group of Americans visiting the French capital for business and pleasure. The protagonist, a screenwriter, is forced to confront the shortcomings of his relationship with his fiancée and the divergent goals due to his magical experience in the city beginning each night at midnight. The movie explores themes of nostalgia and modernism. – Adapted from Wikipedia

For Your Consideration (2006)
Cast: Catherine O’Hara, Ed Begley Jr., Eugene Levy, Harry Shearer, Jane Lynch, Fred Willard
“Comedy about the making of an indie movie called "Home for Purim," a somewhat inane drama about a dysfunctional Jewish family living in the South during World War II. But while the film is still in production, a reporter for an online entertainment site drops the word -- based on a brief visit to the set -- that one of the ensemble cast performers may be an Oscar contender. It goes on to chronicle how the Oscar buzz affects the director, additional cast members, writers, an agent, a publicist, and the hosts from a Hollywood entertainment-type television program.”

Lat Den Ratte Komma In = Let the Right One in (2008 Sweden)
Cast: Kåre Hedebrant, Lina Leandersson, Per Ragnar, Henrik Dahl, Karin Bergquist
“12-year-old Oscar (Hedebrant) is a fragile and bullied boy who finds love and revenge when he meets Eli (Leandersson). Eli is a beautiful but peculiar girl who has moved into Oscar’s building. Oscar does not know that she and her father are vampires. When strange disappearances and murders start happening in the town, suspicions mount from her neighbors and police. Eli must move on to stay alive or stay to help Oscar the only way she knows how.”

The Dilemma (2011)
Cast: Vince Vaughan, Kevin James, Jennifer Connelly, Winona Ryder, Channing Tatum, Queen Latifah
“Ronny’s world is turned upside down when he inadvertently sees something he should not have and makes it his mission to get answers. As the amateur investigation dissolves his world into comic mayhem, he learns that his best friend Nick has a few secrets of his own. Now, Ronny must decide what will happen if he reveals the truth.”

Chibi = Red Cliff (2008 -09 China)
Cast: Tony Leung, Takeshi Kaneshiro, Zhang Fengyi, Chang Chen, Chiling Lin
“Epic historical drama based on a legendary 208 B.C. battle that heralded the end of the Han Dynasty. A power-hungry Prime Minister-turned-General Cao Cao seeks permission from the Han Dynasty Emperor to organize a southward-bound mission designed to crush the two troublesome warlords who stand in his way, Liu Bei and Sun Quan. Vastly outnumbered by Cao Cao’s brutal and fast-approaching army, the warlords band together to mount a heroic campaign unrivaled in history, that changes the face of China forever.”

For Colored Girls (2010)
Cast: Janet Jackson, Kerry Washington, Whoopie Goldberg, Thandie Newton, Phylicia Rashad
“A vibrant world where friends and strangers dream, fear, cry, love, and laugh out loud in an attempt to find their true selves. Adapted by writer/director Tyler Perry from Ntozake Shange’s acclaimed choreopoem, this gripping film paints an unforgettable portrait of what it means to be a woman of color in the modern world.”
